## Uniform Reminder

As the weather becomes warmer, please remember the expectation for uniform remains.

- School branded sweat shirts, cardigans
- Black or grey trousers, shorts, skirts, pinafores, and socks; white polo shirts, blue gingham dresses, Black shoes/sandals/boots (NOT trainers) on non-PE days. Sandals must have a back strap for ankle support.

Please see details of our uniform policy on our website

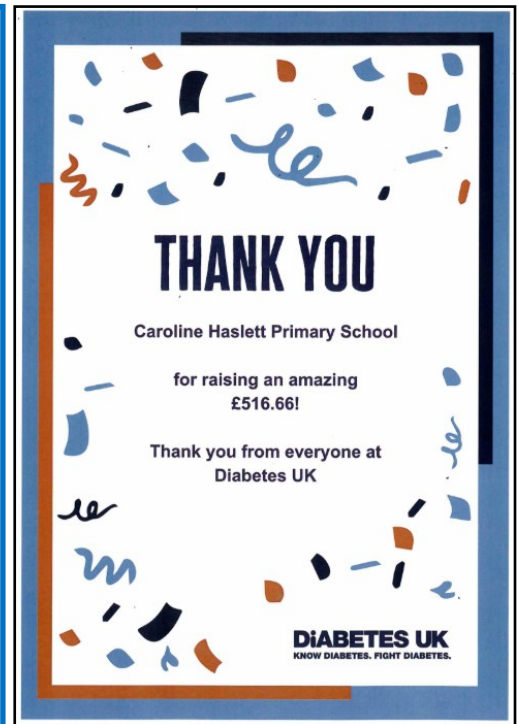

## Screen use for children 0-5

On 27 March 2026, the Government published [advice on screen use for children aged 0-5](#) on the Best Start in Life website.

The early years are a critical period for children's development. The advice offers practical, non-judgemental support to help families balance screen use with other activities.

The advice is informed by an expert [panel's independent report](#), which draws on quantitative and qualitative research, including engagement with parents, carers and stakeholders.

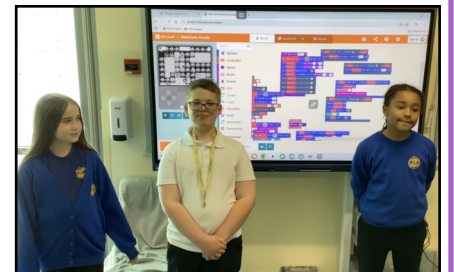

## Digital Leaders

We are thrilled to announce that **Eliana, Adam and Olivia's** impressive entry, 'GrassLands Adventure' will represent **Caroline Haslett Primary School** in this year's **Jam Coding Competition!** Their impressive **arcade game** stood out and the Digital Leaders were particularly impressed by the inclusion of:

- Challenging navigation for the player including secret passages and multiple levels.
- Successful implementation of **variables** - Time, Score and Lives.
- Engaging collectibles and strategic enemy encounters, end screen and multiple challenges.
- Watch their video to see more. <https://youtu.be/LPrObIeyefk>

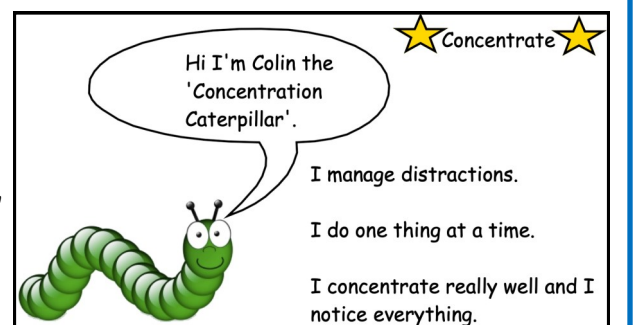

## Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week's character will be Colin the 'Concentration' Caterpillar. Encourage your child to practise the skills listed below and be like Colin.

I manage distractions.  
I do one thing at a time.  
I concentrate really well and I notice everything.

## Computing

Children in Year 1 have created a 'Missing Toy' poster using the word processor program - Google Docs. They enjoyed exploring the different buttons available on the toolbar, using these to change their own text. They used the shift key to add capital letters to their writing. The children are now beginning to understand when it is best to change the look of their text and which tool will achieve the most appropriate outcome. Year 1 were able to use their mouse cursor to select text to enable them to make more efficient changes. They explored the different fonts and colours available to them in order to change the look of their lost toy poster.
