Digital Leaders

This week, our Digital Leaders gave a presentation to Mayer and Winstanley on what it is like to be a Digital Leader at Caroline Haslett and how to apply for the position. If your child is in Year 5 and would like to join the team, remind them that the application form which can be located on our website (under the curriculum tab) must be filled out by Sunday 11th October at 1pm. Based on their anonymised application form, the Digital Leaders will be selecting successful candidates to attend a Level-Up Coding mission after school on Monday 19th October until 4pm. Based on their scores in the mission, seven Digital Leaders will join the group after half term.

Computing

Our Year 3 pupils have been busy exploring our Makey Makey kits! The children turned everyday items into electronic touchpads to create inputs, testing everything from playdough and paper clips to split pins and heavy pencil marking. The real excitement came when they experimented with everyday foods - connecting circuits to apples, tomatoes, potatoes, crumpets and bread! The pupils discovered which materials conduct electricity, sparking fantastic scientific curiosity, teamwork and creative problem-solving.

Dates for the diary
