NSPCC PANTS Rule

As part of our approach to keeping children safe at Caroline Haslett School, we teach the NSPCC PANTS Rules. The PANTS lessons will be taking place next week (week beginning the 19th October) in every year group across the school.

Here are some links to the NSPCC website and the PANTS lesson plans:

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week, our character will be Derek the Determined Dinosaur.

Encourage your child to practice the skills listed below and be like Derek.

I don't give up.
I keep trying and keep going.
I work hard and try new strategies.

Year 6 School Visit

As part of their RE learning this half term, Year 6 visited St. Mary's Church in Shenley Church End.

It was a very rewarding opportunity for the children to put their learning into a real life situation and observe the graves and the way that Christians remember their loved ones.

Cross Country Event

Today a team of athletes visited the National Bowl to represent the school and compete in the Milton Keynes Cross Country Event.

The children competed in races with hundreds of athletes from schools all across Milton Keynes. They performed amazingly well and really did themselves and the school proud! Well done to each and everyone of you!

Talk Time with Ms. Squires

This week in Talk Time with Ms. Squires, some Year 3 children have been talking about positive affirmations and how they can boost self-esteem and confidence.

The children made some lovely, bright pictures with some of the affirmations.

Hello Yellow Day Fundraising

Thank you to everyone that made a donation towards 'Hello Yellow Day' - we managed to raise £617 for YoungMinds! Year 3 also made a wonderful #helloyellow display that they wanted to share with you all... isn't it lovely?

CONGRATULATIONS **Overt Stem Awards 2026 Finalist**

Abigail (Joules class) has been named a finalist in the Future Force in STEM category (5 - 18 years) at this year's OVERT STEM Awards, for the 3 AI prompt engineering apps she created and taught to her classmates in Year 3. She's been invited to the black-tie awards evening at Unity Place in November, and we're all keeping our fingers crossed for her on the night. Well done, Abigail!

Can you help?

If anyone has any angel costumes that they no longer need, please can you donate them to EYFS for the Christmas play.
