Message from Mr Quinton

What an eventful final week we've had. I had the dubious pleasure of being on playground duty today, and was bombarded with snowballs from children who were having too much fun for my liking. My personal favourite event was the Year Two 'Bundle of Joy' production where the children showcased their talents and boldness in equal measure, and an appreciative audience joined in enthusiastically. Yesterday, the staff donned costumes, put on the greasepaint and performed the panto 'Ali Baba'. To see the wide eyed, open mouthed awe and wonder shown by the younger children was a vivid reminder of why educating children is so rewarding. Sadly, Mrs Birch leaves us after seven years of excellent service as a teaching assistant to pursue a career in teaching. We wish her all the best for the future. On behalf of the staff, thank you for the words of support we have received very recently - parents and carers have been so supportive of us and this is greatly appreciated. Have a restful, and enjoyable Christmas break, and see you all on Wednesday 4th January 2023.

Congratulations

Strictly Come Dancing

We were very pleased to receive a personalized copy of the 'Let's go for a walk' book from Ranger Hamza, the star of CBeebies and Strictly Come Dancing. Year 4 have been enjoying reading the book in class.

Year 4

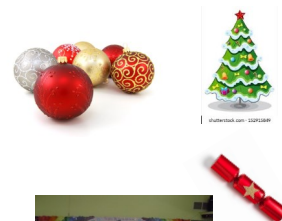

We have been baking bread this week as part of our DT unit. This half-term they have been through the whole process of bread making, from market research to designing their product and finally baking it. They enjoyed kneading and rolling out the dough to create their chosen shape and loved tasting their finished product!

Christmas Dinner Day

The children enjoyed their Christmas Dinner on Monday in the hall.
All of the staff helped with the serving and the children had a lovely time!
Here are some of the pictures.

Online Safety Byte

Our top tip for new devices this Christmas is **PAY ATTENTION TO AGE RATINGS**.

One of the first things your children will want to do with any new device is play games and explore apps. Before they download anything or install a new console game, check its age rating. Many popular games and apps have content that's not suitable for younger ages. The safest long-term solution is to adjust the device's settings so that your children can only download and use games and apps appropriate for their age. <https://www.commonssensemedia.org> offers reviews of apps and websites from the viewpoint of parents and children.

Carol Singing

Yesterday, some children from Years 5 & 6 sang carols to the Sainsbury's Veterans at their Christmas get together at Windmill Hill Golf Club.

They had a very appreciative audience who rewarded them with squash and biscuits!

Friends of CHPS

The Friends wish you all a very Merry Christmas

It's been a very busy term with lots of Friends events.

The children have had great fun, the Committee have been very busy running them, and all our wonderful families have been fantastic at supporting them.

Christmas Choir Market

We are very pleased to let you all know the profit from the Christmas Choir Market and Raffle is £2403.24. This is a brilliant total and once again we thank you all for supporting this, as well as every single person that helped to make this event possible.

Great fun and fabulous fundraising!

Secret Gifts

These should have come home this week and hopefully the children have managed to hide them away and kept their secret!! We hope you enjoy sharing these with the children. They are always so happy to have picked something for their loved ones.

What's coming up in January

Our next meeting will be on Monday 16th January at 7.30pm in the School Staffroom.

We are hopeful to bring back our Easter Bingo which was always a hit, but has not been around for a few years now!
We are considering having a car boot sale. Would you come to this? Maybe following a post Christmas clear out getting spring ready!!

Look out for a date in the new year.

Digital Leaders

This week, Libby and Reece spoke to Year 5 about what it is like to be a digital leader.

If you are in Year 5 and would like to apply, complete the form on the digital leaders page on the curriculum section of our website.

Computing

Year 2 have been creating interactive stories in Scratch Junior.

The unit explored story-writing and digital storytelling as a way of introducing the computing fundamentals of sequence, repetition, and selection. Our stories included animation, graphics and audio to tell a story.

Year 2 Snowmen

In Rutherford class, we've been making snowmen for Christmas.

We used white socks and filled them with rice. The children brought in old, colourful socks from home that we turned into scarves.
