Message from Mr Quinton

On behalf of us all here at CHPS, a very Happy New Year to everyone. I do hope you all had a happy and peaceful Christmas break and were able to spend some quality time with your loved ones. I would like to take this opportunity, on behalf of all the staff, to thank you for the many wonderful cards and gifts we received at the end of last term. Thank you, they were very much appreciated.

It is great to see the children back in school and hearing all their stories about their Christmas holidays. They all returned so positively and enjoyed seeing and being with their friends again. They have also displayed a fabulous attitude towards their learning.

We're looking forward to a busy Spring Term, and it didn't take long for us to get the term off to a great start as this week saw many topic launches happening within classes. Please look out for the year group newsletters for more information on what your child will be learning about this term.

Monday sees the start of the Spring term After School Clubs. Please remember, all children must be collected promptly at the correct time. Children remaining after the club finish time may be taken to The Faraday Club - our Wraparound childcare - and there would be an additional charge for this service.

As always, thank you for your continued support, and engagement in all we do for the children, here's to another busy term - it will be half term before we know it!

Reminder

Breakfast and After School Clubs are starting back next week. If your child is taking part in a club, you would have received an email before Christmas confirming your place.

Music Tuition

Please remind your child to bring their instrument to school.

Could Foundation children please bring their PE kits back into school for this term.

The Friends of CHPS next meeting
Monday 16th January 7.30pm.
School staffroom.

Why not come along and help us plan the events for this coming term.

Poppy Appeal

We have received a certificate showing the donations received from Caroline Haslett School for the Bletchley RBL Poppy Appeal 2022

We raised an amazing £579.70!

Thank you to all the families and staff for your generous donations.

We will be having the usual popular events such as Discos and Movies and Munchies. We may also bring back Easter Bingo which was popular in past years. We will however need some help planning and organising this.

So please come along if you have any ideas or feedback from recent events that we can use to improve future planning.

Pupil Achievement

Congratulations to Millie from Joules class who has received a Silver Blue Peter Badge!

Millie won an International Friendship Day Award for going the extra mile for her friend by learning Makaton to help him and others to communicate and the Silver Badge was awarded for showing kindness and helping others.

Well done Millie!

Happy New Year to everyone from Year 3

The Year 3 team were excited to welcome the children after the Christmas break, who returned to school with beaming smiles and eager to get back into learning.

This week in science we have introduced our new topic "Light". The children had to guess what was inside several feely bags. The aim of the activity was to experience the challenges of guessing what the different objects were because they couldn't see inside the bag, and we need light in order to see things. All children enjoyed the lesson and engaged in active participation throughout the session.

Well done Year 3!

SEN Teaching Assistant Vacancy

Caroline Haslett is looking for a Teaching Assistant with outstanding potential to support children with special educational needs and contribute to ensuring our school continue to flourish.

If you know of anyone that may be interested, please let them know. For further information, please see the full advert on our school website. If you have any further question, please call the school office and speak to Mrs Fergusson.
