Badminton Event at Sir Herbert Leon Academy

ry Schools

in England for the Au-

tumn term.

Year 5 boys and girls took part in a badminton event at Sir Herbert Leon Academy yesterday after school.

FF National School Attendance Award 2022/23 Autumn Term

Caroline Haslett Primary

Top 25% of all FFT Primary Schools in England

They competed against schools across Milton Keynes and they did CHPS proud.

The quality of the matches played was amazing and the teamwork and encouragement was excellent, to the point that we had staff from other schools telling us how great they thought the children were.

We had 2 of our team picked out as players of the tournament, Safiyyah and Shashaank. They were picked by officials for their skill and teamwork. Well done to all our athletes!

Mr Rutherford

licence and started this year with great results at Shenington Round 1 event on 14th and 15th January.

Well done Ralph!

Year 5

In geography, Year 5 have been researching economic

activities in Milton Keynes. Tarini drew the most amazing map of Milton Keynes that shows where the

different service industries are located. We are all very impressed with the detail.

Well done Tarini!

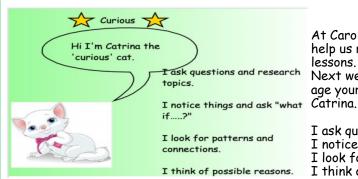

Online Safety Byte

Year 3 have been learning to use technology safely, re-spectfully and responsibly this week and understanding why a unique password is important. They learned that passwords prevent people from getting your personal information as well as using your

accounts and profiles. Skylar in Crowther class created a poster to help people understand how to protect their online accounts.

At Caroline Haslett Primary School we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

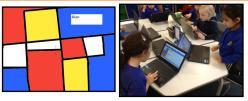

Learning Behaviours

Next week's character will be Catrina the Curious Cat. Encourage your child to practise the skills listed below and be like

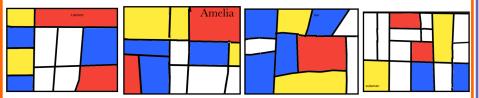

I ask questions and research topics. I notice things and ask "what if ...?" I look for patterns and connections. I think of possible reasons.

Year 1 Computing

In our Creating Media unit in Year 1, the children are developing their understanding of a range of tools used for digital painting. They will use these tools to create their own digital paintings, while gaining inspiration

from a range of artists' work including Georges Seurat, Wassily Kandinsky and Henri Matisse. This week we recreated Piet Mondiran's Composition with Red, Blue and Yellow, 1930.

Considerate Parking Parents are reminded to be please be considerate when using the car park during drop off and pick up times.

Polite Reminder

Parents are reminded that if you bring your dog with you to dop off or collect from Faraday or school, they must be kept on a lead at all times. Some children are very unsure about dogs and can feel uncomfortable when they are not on leads.

Friends of CHPS

Thank you!

Thank you to those that attended this week's meeting. We set some dates and made plans for this term so please save the dates in your diary. Disco Wednesday 1st March

Next Friends Meeting Wednesday 8th March 7.30pm. School Staffroom.

Easter Bingo Friday 24th March

Save the date and watch this space for further details.

This was a popular event a few years ago so we hope you will support us again and come along for some Bingo fun.

Mothers Day - Sunday 19th March

Following on from Fathers' Day last year, and the success of the 'Breakfast in a bag', We will be offering

this for Mothers' Day. This seemed to be very

well received by families, although Mums were wondering where theirs were!

Movies and Munchies

Years 1-2 - Thursday 27th April

Years 3-6 - Thursday 4th May

We are again trialing splitting the year groups differently in order to pick the correct length film for that age group.

The Student Council will ask the children to complete a poll on which film they would like shown.

We are looking forward to another fun packed term but will of course, once again be on the hunt for helpers. Thank you to all those families who support us.

The final figure raised at the Christmas Choir Market was an amazing £1,831.78. Well done to everyone involved. This was a great event, and of course we have discussed and noted things we can improve for next year.

This money will be going towards the Audio System that will be purchased to accompany the Lighting we provided last year. This helps to enhance performances the children complete in the hall.
