Joules with **96.90%**

HOUSEWINNERS FOR WEEK ENDING 3.2.23

Berners-Lee with 182 points!

TT Rockstars

This weeks winners
Hauksbee!

Numbots

This weeks winners
were Rutherford Class

Year 5 Bikeability

Some of the year 5 children completed their Bikeability Training this week. They had 3 days of going out on the redways and roads with qualified instructors, learning all about bike safety and road safety.

They all had a great time!

Half Term

We break up today for Half Term.

School re-opens
Monday 20th February

Polite Reminder

Parents are reminded that if you bring your dog with you to drop off or collect from Faraday or school, they must be kept on a lead at all times. Some children are very unsure about dogs and can feel uncomfortable when they are not on leads.

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for the first week back after half term will be Charlie the Co-operative Camel. Encourage your child to practise the skills listed below and be like Charlie.

I listen to others.
I ask when I don't understand.
I am kind when I disagree.
I explain things to others.

HAPPY HALF TERM

Parking

Parents are reminded to please be considerate when using the car park during drop off and pick up times.

Pupil Achievement

Eleonora in Upton class has passed her Grade 1 in Artistic roller skating.

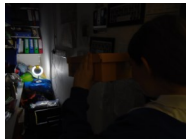

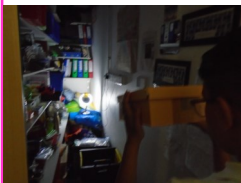

Congratulations Eleonara!

School email address is — schooloffice@carolinehaslett.milton-keynes.sch.uk

Year 6

We have been exploring light and how we see things. To further our understanding, Parsons conducted an experiment to determine if what we see really does reverse on the retina at the back of the eye. We used a pinhole camera to prove the theory, and we did in fact find out that the image really does flip upside down! We discovered that light travels in straight lines and is reflected off an object in every direction.

How fascinating!

Year 1

The children had lots of fun designing and making their own healthy fruit smoothies last week. They all peeled and chopped the fruit to use in their drinks. They then used the blenders to blend their smoothies. Finally they all enjoyed drinking them at the end of the afternoon.

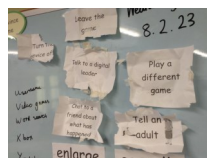

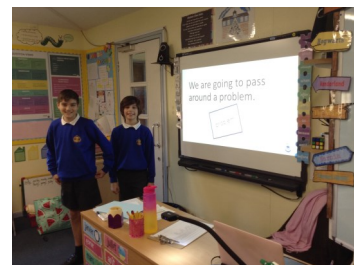

Digital Leaders

Safer Internet Day

It was a busy week for the Digital Leaders and Mrs Hart couldn't be more proud of how hard the children worked to prepare lessons and assemblies. Years 1-6 took part in a House-Swap morning with Digital Leaders delivering pupil-powered online safety and a cup challenge. We had joint winners Hawking and Goodall who both came up with an impressive 25 ways of keeping yourself safe when approached with something online which makes you feel worried, scared or upset.

The Digital Leaders also created a video clip that was selected to be part of the final Safer Internet Day 'Map film,' that was broadcast on 7th February during a live event at the BT Tower in London. Visit <https://bit.ly/chpsSID> to see us at the end of the clip.

Dodgeball

It was an exciting week of sport to finish off the half term. We had a year 5 + 6 team compete at The Hazeley Academy in a dodgeball tournament on Tuesday. We had some excellent performances and brilliant sportsmanship.

Football

Year 3 + 4 were out representing the school at a football event on Wednesday. We took a team down to Emerson Valley School to take part in a football tournament. It was some end to end stuff with both amazing goals and saves.

Well done to both teams for putting in their best.

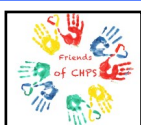

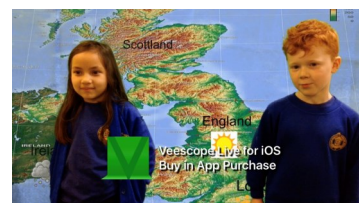

Mr Rutherford

Computing

Year 3 worked with a peer to create collaborative weather maps using Google Drawings and a script in Google Docs.

They were excited to perform their weather reports in front of a green screen and remembered to wear contrasting colours, stand in the correct position, use clear loud voices and point their hands at different parts of the UK.

Friends of CHPS

Disco - New Date

Wednesday 8th March

4.30pm - 5.30pm - Years 1-3

6pm - 7.30pm - Years 4-6

£3 per ticket

Including 1 sweet snack, plus fruit and squash.

There is a tuck-shop at the second disco only where those children can bring money if they wish.

£1- £2 recommended at the most.

Items are priced at 30p - 50p each.

**Tickets will go on sale on
Wednesday 22nd February at 7.30pm**

Next Friends Meeting

Due to the change of Disco Date this will now be Wednesday 1st March (instead of the 8th) 7.30pm.

School Staffroom.

Easter Bingo - Friday 24th March

Save the date and watch this space for further details.

This was a popular event a few years ago so we hope you will support us again and come along for some Bingo fun.

Mothers' Day - Sunday 19th March

This will be similar to the breakfast that we did for Fathers' Day so that our lovely Mums don't miss out.

This will go on sale on Thursday 23rd February.

It will be £2.50 per bag. You can purchase as many as you like on behalf of your children using ParentMail from 23rd February.

These can be for any loved ones on Mothering Sunday, be it Mum, Aunt, Granny, or any special person.

These will need to be purchased on ParentMail by 2nd March, with bags being sent home on Friday 17th March ready for you to enjoy at the weekend.

Movies and Munchies Save the dates.

Years 1-2 - Thursday 27th April

Years 3-6 - Thursday 4th May
