Ability Athletics

Miss Hilton, Mrs Moyle and Mrs Barnett took 5 children to compete in the Ability Athletics at Milton Keynes College on Wednesday. They all had a great time taking part.

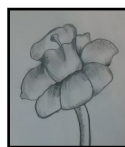

'We had lots of fun. We did running, jumping and throwing. We enjoyed trying new things.' Roy, Marko and Harun

Year 5 - Art

In art, Year 5 have been practising sketching techniques, using varying grades of pencils. They then used the techniques to sketch daffodils, using hatching, cross-hatching and stippling effects, which added texture and depth to their drawings.

Digital Leaders

The digital leaders have been enjoying trying out some interactive boards. We enjoyed the object awareness in the SMART board as it was able to recognise whether we were using a pen, our finger or the palm of our hand. We were also very impressed by the multi-touch technology and the position accuracy.

Orchestral Performance at The Open University

Some of our young musicians had an opportunity to see and hear a symphony orchestral performance at the Open University last Friday with Mrs Ottaway. The orchestra played excerpts from their work and the conductor talked about the instruments. There was also an opportunity for the audience to ask questions.

They had a great time and were all inspired to play in an orchestra themselves!

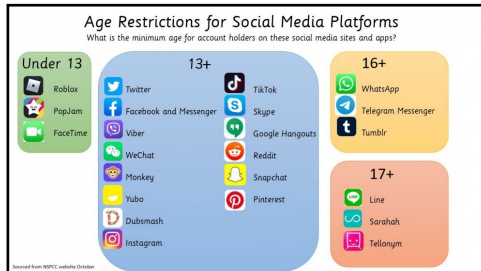

'It was superb!'
Mrs Ottaway

Online Safety Byte

Keeping ourselves safe online is very important to all at Caroline Haslett - we hope every child has a safe and happy experience whilst using the internet.

Making sure children are accessing age appropriate content is an important part of our role to help educate pupils to become responsible internet users. Above is a chart showing the age restrictions placed on different social media apps and services.

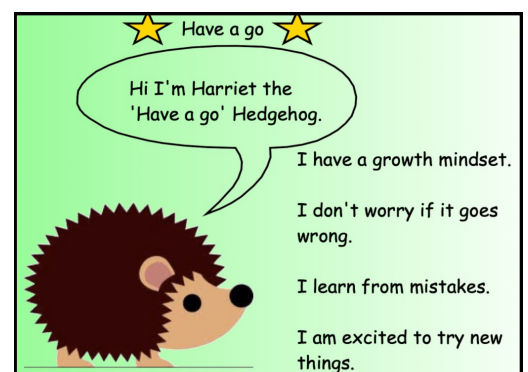

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for next week will be Harriet the Have a Go Hedgehog. Encourage your child to practise the skills listed below and be like Harriet.

I have a growth mindset.
I don't worry if it goes wrong.
I learn from my mistakes.
I am excited to try new things.

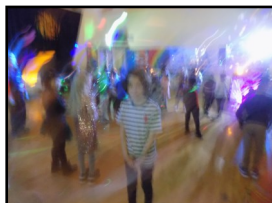

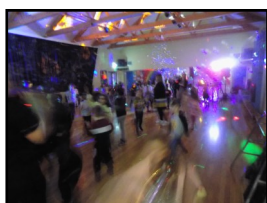

Friends of CHPS

Thank you Thank You!

The disco was a great success and well loved.

We owe a big thank you to all who helped; from the planners to the shoppers, from the ticket makers to the staff who danced with the children and added that bit of extra fun to their experience. From the people who prepare the fruit and the ones who wash the cups. To those that sell the chocolates, those who tidy away and those who count the money. Every bit counts to make it a great event and means that we can keep on doing these to enrich our children's experience of school.

Next Friends Meeting

Easter Bingo Friday 24th March

Bingo tickets sold out very quickly, sorry to those that missed out this time. We will hopefully run it again soon.

There will be 6 games throughout the night. Bingo cards are £1 each or £5 for 6 cards for the same game.

Stay and play as many games as you like.

There will be an interval half way and the Easter Bunny will be making an appearance!

If you have bought tickets and discover you can no longer make it, please let the office know as there are people who missed out on tickets who may still want to come. These tickets could then be re released.

Raffle Donations

We will have a simple raffle on the night, which will be drawn in the interval. If you have any prizes you wish to donate, please drop at reception.

We would welcome donations of Easter Eggs.

There will be refreshments and Bingo Dabbers for sale.
