Congratulations

Star of the Week for

'Creative Problem Solver'

ASTON: Abhira
PELTON: Abigail
EDISON: Aidan
UPTON: Mahdi
RUTHERFORD: Musa
VOLTA: Salma
CROWTHER: Ayah
MAYBACH: Ansh
JOULES: Jerald
MURREY: Hadassah
MAYER: Edwin
HAUKSBEE: Faustas
PARSONS: Jayden
WINSTANLEY: Akshaj

BEST CLASS ATTENDANCE WEEK ENDING 21.04.23 :

Winners were Hauksbee
class with 98%

HOUSEWINNERS FOR WEEK ENDING 21.4.23:

Hawking with 188 points

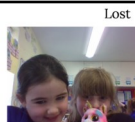

TT Rockstars

Well done Mayer class who
are this week's winners for
the 2nd week running!

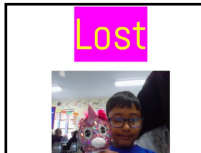

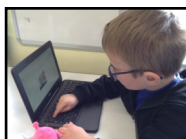

Computing

Children in Year 1 have created a 'Missing Toy' poster using the word processor program - Google Docs. They enjoyed exploring the different buttons available on the toolbar, using these to change their own text. They used the shift key to add capital letters to their writing. The children are now beginning to understand when it is best to change the look of their text and which tool will achieve the most appropriate outcome. Year 1 were able to use their mouse cursor to select text to enable them to make more efficient changes and explored the different fonts and colours available to them in order to change the look of their lost toy poster.

Yoony is lost. Yoony has rainbow
fer. She has gold eyes . She has a pink
taylor. She has gold feet. She has
pink fluffy ears. Call 1236

I have lost my teddy, Lovely
son .
She has rainbow in her Whole
body. She has a pink horn .
Call 123456789012490769

Numbots winners
were Volta class with
90%.

Well done Volta!

Strike Day Tuesday 2nd May

All breakfast and after school clubs will
be cancelled on Tuesday 2nd May, in-
cluding the Wake up Shake
up for year 6.
School will remain open during
normal school hours.

Digital Leaders

The Digital Leaders were given a last minute
opportunity to visit the Apple store in Milton
Keynes on Monday.

The field trip "Swift Playgrounds - Getting
Started with Coding" enabled children to
use the Swift programming language. Swift
was created by Apple and is used to build
many popular Apps. Although the workshop
was aimed at
children aged
12+, the digital
leaders picked
up new skills
quickly and used loops, conditionals and
the 'Not' operation.

Pupil Achievement

Aaria, Julieta and Fleur
from Upton class and
Aumari from Edison
took part in a sponsored
scoot/run around Willen
Lake North (1.1 mile), to raise money for
Willen Hospice.
Together they raised over £400.
Well done everyone!

Pupil Achievement

Bella from Joules class
has received a Blue Peter
Music Badge, which is
especially for Blue Peter
viewers with passion for
music, for her
love of playing
her guitar!

Year 2

This week the children have been practising their sculpture and modelling skills in Art. This term, we will be studying the work of Andy Goldworthy; an English sculptor, photographer, and environmentalist who produces site-specific sculptures and land art. We hope to refine our sculpting skills to make our very own animal or nature sculptures.

Pupil Achievement

Louie from Edison class received his swimming certificate for completing Stage One.

Well done Louie!

Online Safety

How safe are our children online? 'Capture: who's looking after the children?' is a short [15min] film that every parent should watch. It looks at online harm, regulation and responsibility. It's quite intense, but really makes you think about what your child is doing when you're not supervising them.

<https://www.youtube.com/watch?v=6UY2HOpuTlk>

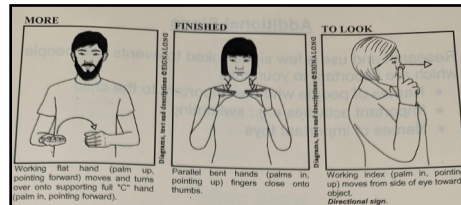

SEN

Mrs Thomson and the SEN teaching assistants in the Language Department have been learning Sign Along. Sign Along is a mixture of Makaton and British Sign Language (BSL).

We are going to teach the school 3 new signs a week. Matthew in Y4 has offered to help us too.

The signs for this week are:

- More
- Finished
- Look

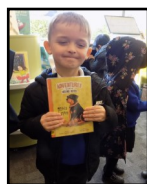

We will post a weekly video to the school website to show you the signs. The link can be accessed below, or on the website:

https://www.youtube.com/watch?v=JaEilpW_v7Q&feature=youtu.be&ab_channel=LiveStream

EYFS Library Visit

This week Aston and Pelton class visited our local Public Library in Westcroft. They were thrilled to get their own library cards and loved being able to choose their own book to take home with them. The librarians were fantastic, giving a talk to the children to explain how libraries work and also reading a really funny story to them. (Ask your children about the banana book!) Every child behaved beautifully throughout and they particularly enjoyed their first time in the school minibus! Well done Aston and Pelton, you were brilliant. Don't forget to enjoy and return your books so you can borrow some more.

Online Safety Byte

Children in Year 3 have been considering the advantages and disadvantages of online communication. Aarush in Maybach has created a table of positives and negatives to consider when texting, emailing, blogging and posting online.

Positives of Communicating Online	Negatives of Communicating Online
<ul style="list-style-type: none"> • YOU CAN CONTACT PEOPLE FAR AWAY • YOU CAN ARRANGE MEETINGS AND GET TOGETHER • YOU CAN TALK TO FRIENDS AND FAMILY WITHOUT HAVING TO MEET FACE TO FACE • IT'S MUCH QUICKER THAN A LETTER BECAUSE YOU MIGHT HAVE A LETTER FROM ONE DAY AND IT ARRIVES THE NEXT • YOU CAN COMMUNICATE BY TEXTING, VIDEO CALLING, TALKING, LETTERS AND HAND GESTURES • SHARE PICTURES AND VIDEOS WITH YOUR FRIENDS AND FAMILY • CHEAPER THAN TRAVELLING • KEEP IN CONTACT WITH FRIENDS AND FAMILY FROM ANYWHERE • SHARE MEMORIES WITH LOVED ONES • QUICK WAY TO CONTACT SOMEONE 	<ul style="list-style-type: none"> • OTHER PEOPLE CAN LOG IN AS YOUR FRIEND AND FIND OUT ABOUT SECRETS THAT WERE NOT TOLD TO THEM • SOME PEOPLE MIGHT REVEAL IT TO THE PUBLIC • PEOPLE MIGHT CREATE A FALSE IDENTITY • YOU COULD GET A VIRUS • YOU COULD RECEIVE SOMETHING LIKE A SCARY IMAGE • YOU CAN FALL VICTIM TO AN INTERNET TROLLS • PEOPLE CAN SEND YOU UNKIND MESSAGES

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week's character will be Charlie the Co-operative Camel. Encourage your child to practise the skills listed below and be like Charlie.

I listen to others.
I ask when I don't understand.
I am kind when I disagree.
I explain things to help others.

Pupil Achievement

Vikranth from Rutherford class received an award on Sunday 23rd April 2023 from Westbury Arts Centre. He won this award for a creative writing piece he submitted titled: A Special Place For Us. Vikranth received 1st place in his category and was the youngest winner the competition had ever had. He won a trophy and a £25 voucher to buy some new books. He also won the school a £50 voucher for new books. Congratulations Vikranth on this wonderful achievement.

Summer Fete Friday 16th June 2023.

There will be Games, Talent Show, Face Painting, Raffle, Refreshments, and lots more fun.

Last year we were lucky with the weather, be it maybe a little too hot... let's hope we are lucky again this year.

Interactive events will include Family Tug of War, Obstacle Course, Parents' Football Tournament, 3 legged race.

There will be the traditional old games as well as new ones... Please come along and support us.

As always we will need lots of parents to help us run the stalls as well as set up the event, and pack it away.. so please get in touch if you can help in any way.

Many hands make light work - Please be assured that you do not have to help with the whole event as we know it is also important to enjoy it with your family. The more people we have helping the easier it will be for all.

You can reach us on Facebook, email us at chpsfriendschat@gmail.com or catch one of us at pick up to let us know you can help.

Plastic Toy Amnesty

Between now and the fete we are looking to collect little toys that we can use as prizes on the stalls. This is known to be successful in other schools and we want to try it.

We all have various little bits around the house we're looking to move on!

The types of bits we are looking for are things like party bag fillers, McDonald toys, bubble pots, bouncy balls etc. Anything you have lying around after parties etc that you no longer want that can be used as little prizes.

This helps us recycle the toys and saves us buying more plastic bits that will ultimately end up in landfill.

The collection box will be outside reception each day over the next few weeks

Charles' Coronation Wonka Bars

Wonka Bars will come home on Tuesday 2nd May.

Will your child win a golden ticket? If they do, please take it to the office to redeem the prize. The prize will be a £10 Amazon Voucher, there are 5 Golden tickets to be found.

We want to say a huge thank you to Lee from Mailing and Fulfilment and Dave at Data Laser Mail for organising and donating the wrappers. They look great and we think the children will be excited to hunt for the Golden Tickets and then eat their chocolate!

Movies and Munchies

Years 1 - 2

Thursday 4th May
Pick up 5.30pm at Reception

To break up the session for the younger ones we are showing two Julia Donaldson Programs with a break in the middle. This should help with the fact that the younger children find it hard to sit for a longer film so can get fidgety.

Years 3-6

Thursday 18th May
(Note the change of date)
'Puss In Boots' (PG)
Pick up 5.30pm at Reception

Tickets will go on sale Friday 5th May at 7pm

Next Friends Meeting

Wednesday 24th May 7.30pm
School Staffroom
Finalising plans and prep for the Fete.

Wednesday 12th July - 7.30pm
The Old Beams
The final meeting of the year and AGM.

Uniform

As the weather begins to change, don't forget to take a look at our **uniformd shop** to purchase good quality pre loved items. Summer dresses, shorts and more.

Copy this link to see our page on Uniformd
