BEST CLASS ATTENDANCE WEEK ENDING 28.04.23 :

Winners were Hauksbee
class with 99.33%

HOUSEWINNERS FOR WEEK ENDING 28.4.23:

Batey with 158 points

TT Rockstars

Well done Hauksbee class
who are this week's winners!

Pupil Achievement

Krishi from Mayer class participated in a Trophy cup tournament along with his Shenley Griffins football team. Their team were the runners up for the trophy.

He was exhausted at the end of the tournament, but very proud!

Well done
Krishi

Junk Modelling!

Next week, the children in Foundation Stage are creating trains from junk modelling.

Can you help by donating any recycling you may have at home, e.g. small boxes, kitchen-rolls, clean yoghurt pots etc? Nothing that has held liquid please.

Thank you for your support.

Numbots winners for second week running were Volta class with 93%.

Pupil Achievement

Aumari from Edison class competed in the South Coast Regional Championships for Martial Arts against 400 participants. He won 2 gold medals (one for hand drills and one for kickboxing) and one silver medal for his 5-Kick Combo. He was very proud for participating and doing his best!

Well done Aumari!

Year 5

In art, we have been finding out about the Australian artist India Flint, who dyes textiles and paper using items found in the natural environment. Children used the artist as inspiration to create their very own Hapa-Zome print. Hapa-Zome is a Japanese printing method meaning 'leaf dye'. Leaves and petals are hammered to bruise the natural colours into cloth/paper to make a print. The results were fascinating and very colourful!

School email address is — schooloffice@carolinehaslett.milton-keynes.sch.uk

Road to RIAT Programme

We have been participating in a Road to RIAT programme, in partnership with the RAF Charitable Trust, RAF Youth and STEM and Supported by Accenture.

Please encourage your child to engage in their STEM learning further by downloading a copy of our new Road to RIAT activity booklet, packed with lots of fun activities that can be done at home during the bank holiday, in celebration of the King's Coronation.

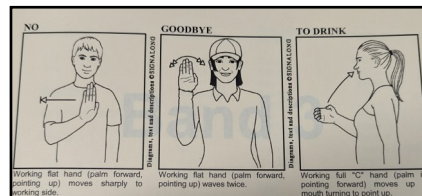

Simply click on the link below and select the activity booklet you wish to complete.

<https://rafyouthstem.org.uk/resource/road-to-riat/>

Sign Along

The signs for this week are:

- No
- Goodbye
- Drink

Matthew in Y4 has recorded another video to show you how to do the signs.

<https://youtu.be/dRf3IRT519c>

Mrs Thomson and the staff have been very impressed with the number of children who have remembered the signs and are using them around the school. Keep it up!

Online Safety Byte

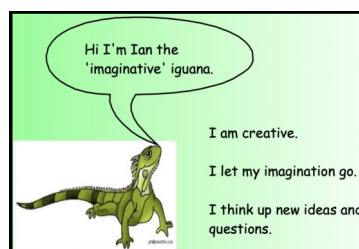

A recent study by Ofcom shows that four in 10 children aged 8-17 (39%) have experienced bullying, either on or offline. Among these children, the bullying was more likely to happen on a device (84%) than face-to-face (61%). CHPS top tip - Talk to your children. Talking to your children, openly and regularly, is the best way to help them stay safe online. For children, online life is real life. In the same way that you'd ask about their day, reach out to your child to find out what they're doing online regularly – not just when you're worried. Talk to your child regularly about what they're doing online and how to stay safe. Let them know they can come to you, another trusted adult or Childline if they're feeling worried or upset by anything they've seen.

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character next week will be Ian the Imaginative Iguana. Encourage your child to practise the skills listed below and be like Ian.

I am creative.
I let my imagination go.
I think up new ideas and questions.

Year 4 Campbell Park

Some of the year 4 children had great fun at Campbell Park on Wednesday afternoon. They enjoyed some team building activities, pond dipping and hunting for bugs. They collected natural objects to make clay faces on trees.

Wellbeing Committee

Ms Squires would like to introduce the school Health and Wellbeing Committee. Keshav Shah, Charlotte Kingston, Amelia-Rose Edwards and Aran Dunne. These pupils will be providing support across the school with their own ideas and ensuring that all pupils' views are heard. They have attended their first meeting to discuss their own school experiences and how they can use these to support others.

Pupil Achievement

Jenson from Rutherford class is very excited to share with everyone his achievement in keyboarding. He has taken his Yamaha Debut Exam and passed with a Merit. We are all super proud of him.

Summer Fete Friday 16th June 2023.

There will be Games, Talent Show, Face Painting, Raffle, Refreshments, and lots more fun.

Last year, we were lucky with the weather, be it maybe a little too hot... let's hope we are lucky again this year.

Interactive events will include Family Tug of War, Obstacle Course, Parents' Football Tournament, 3 legged race.

There will be the traditional old games as well as new ones... Please come along and support us.

As always, we will need lots of parents to help us run the stalls as well as set up the event, and pack it away, so please get in touch if you can help in any way.

Many hands make light work - Please be assured that you do not have to help with the whole event as we know it is also important to enjoy it with your family. The more people we have helping, the easier it will be for all.

You can reach us on Facebook, email us at chpsfriendschat@gmail.com or catch one of us at pick up to let us know you can help.

Plastic Toy Amnesty

Between now and the fete, we are looking to collect little toys that we can use as prizes on the stalls. This is known to be successful in other schools and we want to try it.

We all have various little bits around the house we're looking to move on!

The types of bits we are looking for are things like party bag fillers, McDonald toys, bubble pots, bouncy balls etc. Anything you have lying around after parties etc that you no longer want that can be used as little prizes.

This helps us recycle the toys and saves us buying more plastic bits that will ultimately end up in landfill.

The collection box will be outside reception each day over the next few weeks

Movies and Munchies

Years 3-6
Thursday 18th May
(Note the change of date)
'Puss In Boots' (PG)
Pick up 5.30pm at Reception

Tickets will go on sale **Friday 5th May**
at 7pm

Charles' Coronation Wonka Bars

Wonka Bars went out this week. There were some very excited children as they came running out of the gate!

So far, we know we have the following winners:

Jonas from Mayer
Adomas from Upton

We want to say a huge thank you to Lee from Mailing and Fulfilment and Dave at Data Laser Mail for organising and donating the wrappers.

Next Friends Meeting

Wednesday 24th May 7.30pm
School Staffroom
Finalising plans and prep for the Fete.

Wednesday 12th July - 7.30pm
The Old Beams
The final meeting of the year and AGM.

Uniform

As the weather begins to change, don't forget to take a look at our **uniformd shop** to purchase good quality pre loved items. Summer dresses, shorts and more.

Copy this link to see our page on **Uniformd**
