Reminder

With the ever changing weather that we are experiencing at the moment, please remember to send your child to school with a raincoat, but also sunhats and water bottles.

Lets be prepared for any weather!

20 Years at Caroline Haslett

Twenty years ago, Mrs Jackson came to work at Caroline Haslett as a Teaching Assistant. During that time, she has shown a real dedication to the school and has always worked hard to ensure the children in her care are happy and confident to approach any task. Thank you Mrs Jackson for being such a reliable and committed member of staff.

Numbots joint winners for this week were Volta and Ruthford classes with 60%.

Year 6

Ms Martin, Miss Frankish and all the staff in the Year 5/6 team would like to say a big 'Well done!' to the Year 6s on a successful SATs week. The children have worked incredibly hard, and have put their best effort into all their work. We are so proud!

Sign Along

4 new signs this week:

- Me
- You
- Mine
- Your

Matthew and Mrs Gilbert can show you how it's done on the video:

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for next week will be Eric the Enjoy Learning Elephant. Encourage your child to practise the skills listed below and be like Eric.

I feel proud of all my achievements.
I feel my neurons connecting.
I imagine my intelligence growing by the minute!
I use what I have learnt in real life.
I know I can do it if I have input and I practise.

Year 4 Condover

Many of the Year 4 children have just come back from an exiting and exhausting residential trip to Condover Hall. They completed many outdoor experiences, including abseiling, climbing, trapeze, zipwire, campfire (even though it was rained off after an hour!), rocket launch and a silent disco.

We were very proud of them all, for challenging themselves to give each activity a go.

A residential trip is one of the best first experiences children can have of spending time away from their parents and developing confidence, social skills and independence.

We all had a lot of fun!

Online Safety Byte

87% of Year 2 say they have agreed rules at home about how they spend their time online. Do you?

CHPS Top Tips

Sit down with your child and agree some rules around how long they can spend on certain devices and when they can do certain activities such as talk to friends or play games. For example, you might agree with them they can video call with friends, but only if you're in the room, or you might let them play games in the main family room at the weekends with their school friends. Involving your child in this process will encourage them to think about how they spend time online and help them develop good online habits in the future. Different rules will work for different families, but often work best when agreed together as a family. That way, your child can share things like how long each game lasts which is helpful to know when agreeing time limits. It can help to write down any new rules together as a family, so you can come back to them later. Remember, it is important for adults to follow rules too!

Computing

In our unit on Online Communication, Year 3 have been exploring email. The children have identified the features of email, begun to understand that emails are used as a method of online communication and have explained how to be responsible and safe when using email.

This week, we learned how to send email attachments.

The Kings Coronation Celebrations Friday 5th May

School Disco - Save the date!

We have booked our final disco for the year which will be on Wednesday 12th July.

Ticket will be on sale nearer the time!

Friends AGM

Due to booking our disco on the Wednesday, the final meeting of the year and AGM will now be Thursday 13th July, 7.30pm at the Old Beams.

Please come along and celebrate the end of the year.

We will also be looking to appoint a new Chairperson at this meeting.

Plastic Toy Amnesty

Between now and the fete, we are looking to collect little toys that we can use as prizes on the stalls. This is known to be successful in other schools and we want to try it.

We all have various little bits around the house we're looking to move on!

The types of bits we are looking for are things like party bag fillers, McDonald toys, bubble pots, bouncy balls etc. Anything you have lying around after parties etc that you no longer want that can be used as little prizes.

Movies and Munchies

Years 3-6
Thursday 18th May
(Note the change of date)

'Puss In Boots' (PG)
Pick up 5.30pm at Reception
Tickets are on sale via ParentMail
Last few tickets left!

Charles' Coronation Wonka Bars

Wonka Bars went out last week. There were some very excited children as they came running out of the gate!

So far, we have only had the following winners:

Jonas from Mayer
Adomas from Upton

We want to say a huge thank you to Lee from Mailing and Fulfilment and Dave at Data Laser Mail for organising and donating the wrappers.

Next Friends Meeting

Wednesday 24th May 7.30pm

School Staffroom.

Finalising plans and prep for the Fete.

Uniform

As the weather begins to change, don't forget to take a look at our **uniformd shop** to purchase good quality pre loved items. Summer dresses, shorts and more.

Summer Fete Friday 16th June 2023.

There will be Games, Talent Show, Face Painting, Raffle, Refreshments, and lots more fun.

Last year, we were lucky with the weather, be it maybe a little too hot... let's hope we are lucky again this year.

Interactive events will include Family Tug of War, Obstacle Course, Parents' Football Tournament, 3 legged race.

There will be the traditional old games as well as new ones... Please come along and support us.

As always, we will need lots of parents to help us run the stalls as well as set up the event, and pack it away, so please get in touch if you can help in any way.

Many hands make light work - Please be assured that you do not have to help with the whole event as we know it is also important to enjoy it with your family. The more people we have helping, the easier it will be for all.

You can reach us on Facebook, email us at chps-friendschat@gmail.com or catch one of us at pick up to let us know you can help..

Ways you can donate to the Summer Fete:

- World Food Donations for the refreshments.
- Your time on the day: for set up, on a stall or for the big clear up after.
- Plastic Toy Amnesty.
- 'Friendshop' items - Unwanted gifts that can be sold on.

The collection box will be outside reception each day over the next few weeks.

WORLD FOOD STALL

The Friends of CHPS are super excited to run the World Food Stall at the Summer Fete again this year on 16 June!

We would love to be able to provide a wide selection of meals to families at the Fete, so we are asking for **YOUR HELP!**

Do you have a particular savoury dish you would be willing to prepare and share to raise money for the school?

If you are interested, please email us on chpsfriendschat@gmail.com or speak to one of the Committee members at the School Gate!

We would ask all cooks to submit the ingredients in advance of the event, so we can make sure this is visible on the day for everyone.

Please get in touch so we can have an amazing World Food Stall at our Annual Summer Fete!
