BEST CLASS ATTENDANCE

WEEK ENDING 19.05.23 :

Joint winners were Murrey and Hauksbee with 99.67%

HOUSEWINNERS FOR WEEK

ENDING 19.05.23:

Batey

TT Rockstars

Well done to Parsons class who were this week's winners!

Sign Along

We are learning a phrase this week - ready, steady, go!

Here is Matthew showing you how it's done:

<https://youtu.be/AqXRooEkJEo>

We have also recorded a recap of all of the signs we have learnt this half term:

https://youtu.be/U_L5cDz24nc

We have been very impressed with how well the children at CHPS have embraced learning how to sign. We will teach you even more after the half term.

Numbots winners for this week were Volta class.

Well done Volta!

Talent Show

Calling all talented singers, dancers, band members, musicians, comedians, tightrope walkers, fire breathers and uni-cycle riders!

Do you have a talent that you would like to share with the world?

Following on from the successful show last year, we will be having a talent show at this year's summer fete after school on Friday June 16th.

Mrs Ottaway will be auditioning acts on Tuesday/Wednesday 6th/7th June.

If you would like to audition, make sure you practise over the half term holidays and bring any resources you need that week.
Good luck everyone!

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for next week will be Kevin the Keep Learning Kangaroo.

Encourage your child to practise the skills listed below and be like Kevin.

I keep reviewing my work.
I try to be better than the last time.
I don't compare myself to others, only myself.

Digital Leaders

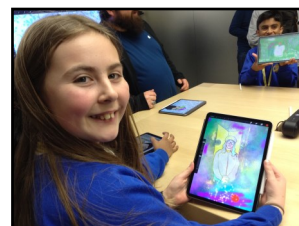

Last week, Digital Leaders Jaelyn and Fatiha in Year 5 became our new Online Safety Reps. Our Online Safety Representatives are responsible for listening to children when they have an online safety issue and they can give advice. The girls will attend Online Safety Group meetings with the Online Safety Lead, the Safeguarding Lead and the school governor responsible for Online Safety. They will report back on the latest trends and raise any online safety issues that may occur in school. Reece in Parsons has been a fantastic Online Safety Rep for the past two years and has helped with many online safety issues at school. We thank him for everything he has done to keep children at CHPS safer.

Online Safety Byte

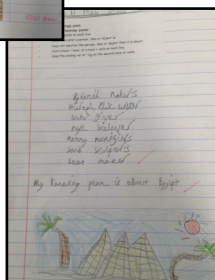

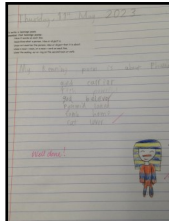

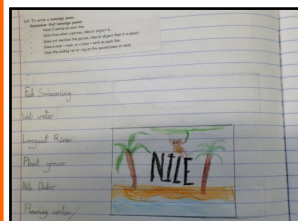

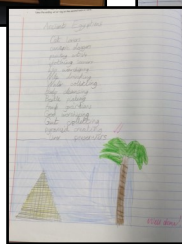

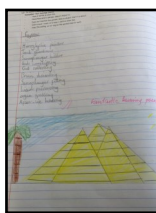

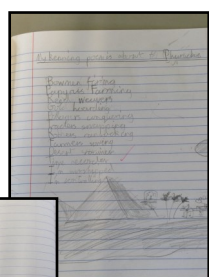

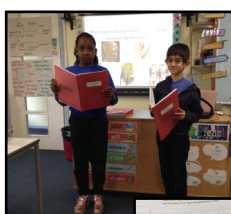

Parental controls can restrict what your children see and the type of content they come across. These are particularly popular with parents of younger children. Always adjust the privacy settings on apps, sites and games including location settings. This allows you to choose what your child shares and what others see, such as where they are.

Remember - When a child uses the internet at a friend's or relative's house, parental controls and privacy settings may be different. This is why regular conversations with your child about online safety are so important, so they understand why you have agreed rules and boundaries to keep them safe online. If you would like any support setting up parental controls, please email the school office with the name of the device and it will be forwarded to Mrs Hart.

Year 3

In English, we have enjoyed writing and then performing our kennings (poems) about the Ancient Egyptians.

SEND Team

The SEND Team are hosting a parent meet up session with a variety of professionals to answer any questions parents may have following the parent programmes. This takes place on 8 June 1:30pm - 2:30pm at the Rowans Family Centre.

Digital Leaders - Computing

To support our children with Coding at Caroline Haslett, we use the website Code For Life. In Years 2-6, children use the program, Rapid Router. This teaches children the basic concepts of programming by having them guide a van through a series of increasingly complicated routes, giving them feedback on the route taken and the algorithm used. Year 2 used the program for the first time this week. These children have learned concepts using the visual programming language Blockly. In Year 6 the children translate those concepts into Python, a popular general-purpose language, to prepare them for further learning.

Well done to Vikranth (Rutherford) and Lorenzo (Volta) for completing the most levels.

Milton Keynes City Council Autism / Social Communication Needs in the Primary Years Parent Meet up

Have you attended our parent programmes?
Would you like to meet up with other parents and professionals?

Time and date:

Thursday 8th June 1.30-2.30pm at The Rowans Family Centre

We will be joined by Occupational therapists, Speech therapists, Specialist nurse, Specialist teachers, PACA, Carers MK and SENDIAS

What sorts of questions can I expect to find the answers to?

How do I support my child with their communication?

What support and activities can I access with my child in Milton Keynes?

My child struggles to sleep, what can I do?

How can I help my child's sensory needs and support their emotional regulation?

To book your place please email
SENDSupport@milton-keynes.gov.uk

<https://www.mksendlocaloffer.co.uk/>

Swimming Gala

This week we went to Bletchley Leisure to compete in the Milton Keynes swimming gala.

The event was great and all the athletes had a brilliant time. The children all put in an amazing effort and really represented our school well. We need to make a special mention for Beck as he stepped up to fill out the team at the very last minute.

Well done to all our athletes.
Mr Rutherford and Miss Hilton

Year 5

This week, we participated in an exciting online STEM event: The Road to RIAT (Royal International Air Tattoo). In teams, children made colourful rockets out of card, which were then used for an investigation. Using straws, children fired their rockets at various angles to see if the angle of ascent affected the distance travelled. Children discovered that the optimal launch angle was between 45-60 degrees. Year 5 demonstrated excellent teamwork, accurate scientific knowledge and recorded precise results. Great fun was had by all - well done Year 5!

Year 6

On Wednesday, we had a special visit from the PCSOs. As we're gearing up for transition to our new schools in September, the PCSOs came in to discuss the changes we may face in secondary school and how to keep safe in our community.

We had lots of questions and the children enjoyed learning about transitions.

Foundation Stage

Please remember to bring back your child's PE kit after half term.

PE will usually be on the field, so please now also include a pair of comfortable trainers within the drawstring bag.

Half Term

We break up for Half Term today.

School will re-open on Tuesday 6th June.

Have a lovely Half Term!

Bikeability Olympics

After school yesterday, we took 6 of our children to the Centre MK to take part in an event run by the Bikeability team.

The event really tested their knowledge of safety and how a bike works. It also tested on their control and agility.

It was a great event with lots of spectators. We came 3rd place overall.

Oliver came joint second with a girl from another school with 11 points.

Well done to all the children!

Mr Rutherford and Miss Hilton

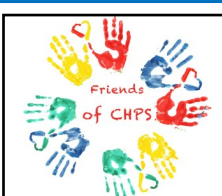

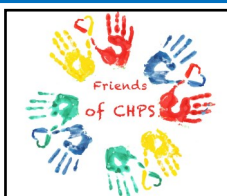

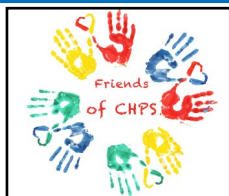

Wellbeing Fair

A huge THANK YOU to everyone that attended our Wellbeing Fair. We had some fantastic feedback from families, staff and exhibitors.

A really warm community spirit was felt in the hall. We are looking forward to working in partnership further with those that attended.

Please see our Wellbeing page on the school website or speak to members of our staff if you want any family support or signposting.

School Disco - Save the date!

Change of date

Due to a Parent Drop in session on Wednesday 12th July, the school disco is now taking place on

Thursday 13th July

Foundation children will be invited to this disco which will be a lovely way to finish their first year at school

Tea Towel and Tote Bag Fundraiser

We are doing this again this year, so children are currently busy creating their pictures in classes. More information will follow soon.

Friends AGM

The Friends AGM meeting at The Old Beams will now move back to **Wednesday 12th July, 7.30pm.**

We are sorry that there have been several changes. It has been a busy time of year in school, so we are trying to fit everything in! Please come along and celebrate the end of the year. We will also be looking to appoint a new Chairperson at this meeting.

Plastic Toy Amnesty

Between now and the fete, we are looking to collect little toys that we can use as prizes on the stalls. This is known to be successful in other schools and we want to try it. We all have various little bits around the house we're looking to move on! The types of bits we are looking for are things like party bag fillers, McDonald toys, bubble pots, bouncy balls etc. Anything you have lying around after parties etc that you no longer want that can be used as little prizes.

This helps us recycle the toys and saves us buying more plastic bits that will ultimately end up in landfill. The collection box will be outside reception each day over the next few weeks.

Fathers' Day Movie Night in a Bag

Thank you to all those that have ordered.

These will come home on **Thursday 15th June**

Next Friends Meeting

Wednesday 24th May 7.30pm
School Staffroom.

Finalising plans and prep for the Fete.

Summer Fete
Friday 16th June 2023
3.30pm to 5.30pm

Ways you can donate to the Summer Fete:

- World Food Donations for the refreshments.
- Your time on the day; for set up, on a stall or for the big clear up after.
- Plastic Toy Amnesty.
- 'Friendshop' items - Unwanted gifts that can be sold on.
- Raffle Prizes

These can be dropped into the school office.

Friends of Caroline Haslett Primary School are hosting

Summer Fete

16 June 2023
3.30-5.30pm
at the school grounds

Come and join us for a fun filled afternoon.
Bring your picnic blanket and enjoy watching the **TALENT SHOW** and the **PARENT FOOTBALL TOURNAMENT**
This year we also have **Rockchoir** to entertain us all.

GAMES AND ACTIVITIES

Family Tug of War, Hook a Duck, Obstacle Course, Dice Football, Higher or Lower card, Crafts Stall, Face Painting, and so much more!
The games will be 50p a go so please bring change with you on the day!

REFRESHMENTS

World's Food Stall, Hot Dog, Cakes, Ice Lollies, Drinks.
Spread the word and bring your whole family to fundraise for the children at CHPS.

Made with PosterMyWall

WORLD FOOD STALL

The Friends of CHPS are super excited to run the World Food Stall at the Summer Fete again this year on 16 June!

We would love to be able to provide a wide selection of meals to families at the Fete, so we are asking for **YOUR HELP!**

Do you have a particular savoury dish you would be willing to prepare and share to raise money for the school?

If you are interested, please email us on chpsfriendschat@gmail.com or speak to one of the Committee members at the School Gate!

We would ask all cooks to submit the ingredients in advance of the event, so we can make sure this is visible on the day for everyone.

Please get in touch so we can have an amazing World Food Stall at our Annual Summer Fete!

Made with PosterMyWall

Cash Cash Cash

The Fete will be mostly Cash this year.

Please make sure you bring cash.

Games stalls will be the correct change only, so that Student Council and families can run these easily. Other stalls will be able to give change.
