BEST CLASS ATTENDANCE WEEK ENDING 07.07.23:

Rutherford Class with 99%

TT Rockstars

Well done to Mayer class who were this week's winnersl

Numbots winners for this week were Volta class.

Well done Volta!

Signs of the week

HAUKSBEE:

PARSONS:

The final signs we are learning before the summer holidays are:

- Car
- Bus
- Train

Plane

Callum

Ada

Here is Matthew showing you how to do them: https:// youtu.be/uAcD3te6nOU

A huge thank you for embracing this - it is lovely to see the children signing around the school.

Reminder

School finishes at 1pm next Thursday (20th July)

There are NO breakfast or afterschool clubs running next week with the exception of STEM Club on Tuesday.

There are **NO** music lessons next week with the exception of Trumpet on Monday.

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for the last week of term will be Eric the Enjoy Learning Elephant. Encourage your child to practise the skills listed below and be like Eric.

Enjoy Learning Hi I'm Eric the 'enjoy learning' elephant I feel proud of all my achievements. I feel my neurons connecting. I imagine my intelligence growing by the minute! I use what I have learnt in real I know I can do it if I have inpu and I practise.

- I feel proud of all my achievements.
- I feel my neurons connecting.
- I imagine my intelligence growing by the minute!
- I use what I have learnt in real life.
- I know I can do it if I have input and I practice.

Pupil Achievement

Travis from Joules class received MVP and player of the game at his last tournament of the season with his mk storm ice hockey team Milton Keynes.

Well done Travis!

Summer Reading Challenge Assemblies

Karen Fleming from Milton Keynes Libraries came in last week to talk to the children about the Summer Reading Challenge. The idea of the challenge is to promote reading for pleasure over the summer holidays with a fun and achievable challenge. This is free to take part in and children can sign up at any MK Library from Friday 21st July and throughout the holidays.

Digital Leaders

Some of our digital leaders entered the BCS Cyber Challenge 2023. Designed to cultivate young computing leaders, the BCS (Bedford Branch) ran a com-

petition open to all schools in the areas of Bedford Borough, Central Bedfordshire, Luton Borough, Milton Keynes and Buckinghamshire. With coding projects centering around online safety, we are proud of all the children who entered and a special well done to Beck

and Abdullah who placed 3rd and Hikma, Misia, Mysha and Libby who came 2nd in the Year 6 category. Former pupil Advik Das finished in

first place in the year 7 category with his Fake News Python coding. An incredible achievement!

Dentist Visit

On Monday, Year 4 were visited by Mr. Yassin who is a local dentist. The children learned about the different layers of the tooth and how to care for our teeth. It was a great opportunity for the children to ask questions and find out about methods of keeping teeth clean, the importance of oral hygiene and a healthy diet. Thank you Mr.

Digital Leaders

In our last Digital Leaders' meeting of the year, we experimented with Lego WeDo. Our Lego Wedo equipment offers the children the opportunity to build and program a mechanical alligator that makes sounds and is motorised to open and close its jaw.

Our Digital Leaders have been exceptionally fabulous this year and Mrs Hart will truly miss them. We look forward to more exciting adventures with our Year 5 digital leaders next

year and wish our Year 6 digital leaders every continuing success as they move into secondary school.

Bikeability Olympics Finals

5 children went to the first ever Bikeability Olympics last week after completing the heats in May. Unfortunately we didn't come in the top 3 but it gives great experience for next year.

Year One Woburn Safari Park

On Wednesday, we went on a wonderful trip to Woburn Safari Park. We all had great fun, saw lots of interesting animals and even managed to avoid the rain!

Medical Detection Dogs

This week, we were visited by the charity Medical Detection Dogs. They train dogs to detect the smell of human disease. We found out about

the work that they do and the many people that they help. The most exciting part was meeting Bobbin, the

labrador who is training with the charity to detect blood sugar changes in people with diabetes. Visit their website to find out more about them: www.medicaldetectiondogs.org.uk

Year One Poem

Fleur and Emma from Upton class spent their morning at Faraday writing an acrostic poem about the author Jeremy Strong.

Jeremy Strong
Jokes so funny
End of book
Read on, don't stop!
Easy to read
Must find out
Yes! What's next?

Silly stories
Terrific tales
Really wrong to not keep reading
Others are sometimes funny,
Naughty characters in the story
Great stories told

Well done to both girls!

Westbury Bee Group's Bee Festival 2023

This is being held at its home, the Westbury Arts Centre, Foxcovert Road, Milton Keynes MK5 6AA. Entry is free, with lots of free activities, stalls selling honey, bee-themed jewellery, arts and crafts, face painting, children's storyteller, talks about bees and beekeeping and our ever-popular glass observation hive where bees can be seen working and doing their bee duties - and often, baby bees can be seen hatching from their cells!).

For more information about us please visit our website www.westburybeegroup.co.uk or email us.

A poster will be sent on ParentMail giving more information.

CHPS Friends Annual General Meeting

We had our AGM last night. A great evening to reflect on what the committee and families have achieved this year. Plus the time to appoint the new positions for the committee. The following members were voted in;

Formal Positions

Chair - Natasha Rickard and Jennifer Kent Vice Chair - Kirsty White Treasurer - Julia Ahulu Secretary - Andrea Tierney Ordinary Committee member - Andrea Fergusson

Positions created for CHPS

Social Media - Natasha Rickard and Roberta Vasari **Uniform Co-ordinator** - Jennifer Kent

Chair Report

We will place the full report in the Friends section of the school website, but for now the highlights include;

A fantastic total income across all events this year of: £14,826.75

Minus expenses this gives us a profit of: £11,078.95

(Final figures to follow in September once all events are officially closed)

Expenditure this year has been: £9,627.91

This includes:

£300 enrichment spend for each year group. Portable sound system.

Audio Visual system fitted in the School Hall 2x fold up tables to use at events.

2x Coleman Shelters - Strong Gazebos that we can use for each of the outdoor events.

Uniform

Get your next year's uniform from our second hand uniform store - see below for details.

Disco

We rounded up the year with a disco this week. Hopefully the children have all had fun, This was first for Foundation children and the last for Year 6 children who will be moving on to Secondary shortly.

Tea Towel and Tote Bag Fundraiser

You should now have received the items you ordered, we hope you like them.

It will be nice to see how the children's pictures of themselves change over their time at CHPS.
