

## YEAR 2 NEWSLETTER - AUTUMN 1 2023

Welcome back to school and our first half-term in Year 2! Our topic this half term is **Traditional Tales**.

<b>English</b>	We will be reading lots of traditional tales and alternative traditional tale stories. The children will explore some common themes before writing their own story and poem. They will explore how to use adjectives to improve their writing along with reinforcing basic grammar and punctuation. Later this half term, we will write instructions linked to our Science topic.
<b>Maths</b>	The focus in Maths will be on understanding place value and addition. Our maths target is to partition two digit numbers into tens and ones. The target test will be every Friday during our maths lesson. Please support your child to practise regularly, so they can progress confidently through the different levels of this target.
<b>Science</b>	The children will be learning about the ideal conditions needed for plants to grow. They will learn to name the parts of common trees and plants as well as identifying which plants can be eaten.
<b>Computing</b>	The children will explore information technology at school and beyond. This will include settings such as shops, hospitals and libraries. They will investigate how information technology improves our world and learn about using information technology responsibly.
<b>Art</b>	Our topic is Colour Chaos! Children will start by researching how some famous artists use colour before learning about primary and secondary colours. They will experiment with mixing colours to produce paintings in the style of the artists studied.
<b>PSHE</b>	The children will focus on the theme 'It's our World,' thinking about our new classes and how to get along with each other. We will also look at pollution, recycling and how to save energy.
<b>Geography</b>	There will be opportunities to find out more about our local area and how it fits into the wider world. Children will be looking at maps and aerial images of the United Kingdom. They will learn to locate and identify the four countries in the UK and their capital cities. We hope to take a short walk around our local area nearer the end of half-term.
<b>RE</b>	Our topic is 'Who should we follow?' We will be looking at people who set a good example to others and what makes a good leader.
<b>Music</b>	This half-term we will be exploring pulse, rhythm and pitch as we listen, sing, play and dance to the different songs explored in this unit.
<b>PE and Games</b>	During Games lessons, the children will be practising multiskills through games and activities. In indoor PE, they will be learning to develop their dance skills.

**BOOK BAGS** – All children **MUST** have a book bag. Please ensure only books are kept in book bags and **not** fruit snacks or water bottles; Sadly, books have been damaged in the past.

**WATER BOTTLES / SNACK:** Please send children to school with a bottle of water, clearly labelled. This will be sent home every day to be returned the following morning. Children should come into school with a suitable snack to have at breaktime (fruit, vegetables, yoghurt, cheese). Please make sure these are clearly labelled.

**HOMEWORK:** This will be set via Google Classroom, but paper copies will also be sent home. We will continue to set weekly spellings which will be issued every Monday. Children will be tested in school the following Monday. Maths and English homework will be shared every Friday and will need to be completed by the following Wednesday. Part of the Maths homework expectation is playing weekly games on Numbots. The login will be on the inside of your child's reading record. We will continue to have a Maths target each half-term. This will be assessed weekly, so please ensure your child practises regularly at home.

**PE:** Please ensure your child comes to school in their PE kit on their PE days. They will need suitable footwear such as plimsolls or trainers. Jogging bottoms, shorts, sweatshirts or hoodies **MUST** be blue or black. No bright colours or football shirts please. Children may wear their school jumper or cardigan. If your child wears earrings, please provide tape so that these can be covered during PE lessons.

**PE days: Wednesday and Friday.**

**READING:** Please ensure you read each day with your child and record this in their reading diary. Reading books will be changed twice a week, so please make sure books and reading records are always in school as this may not always be on the same day each week.

### DIARY DATES:

Friday 22nd September: Y2 Coffee Afternoon at 2:30pm

Tuesday 26th September: Internet Safety Parents Evening at 6pm

Wednesday 11th October: Y1-Y3 School Disco 4:30-5:30pm
