Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week's character will be Catrina the Curious Cat. Encourage your child to practise the skills listed below and be like Catrina.

I ask questions and research topics.
I notice things and ask "what if...?"
I look for patterns and connections.
I think of possible reasons.

Wellbeing Cafe

The next wellbeing cafe with Ms Squires will be **Thursday 28th September from 2:15-3pm.**

The topic for the cafe will be behaviours.

Due to space and resources, places at the wellbeing cafes have to be limited. Early next week, you will be invited to book your place to attend. Please remember to contact the school if you can no longer make it and we can allocate your space to others that are keen to attend.

School email address is — schooloffice@carolinehaslett.milton-keynes.sch.uk

Summer Reading Challenge

The following children have brought their certificates into school:

Volta

Rafael

Rutherford

Diya

Rahma

Pupil Achievement

George from Maybach class was chosen to be the captain of his football team for the season.

Well done George!

Year 2 Boys Pupil Achievement

Four boys from year 2 have completed their grading assessments to move up a belt and passed.

William, Rishi and Rafael now have yellow with white stripe belts and Aumari has a solid brown belt.

Well done boys!

Tag Rugby

On Friday, 7 children took part in a friendly tag rugby festival at Two Mile Ash. The children took part in a number of rugby based activities which introduced them to the skills needed for a tag rugby game. The sun was shining and the smiles were beaming. We all had a lovely afternoon.

Rosie-Mae said this about the event

"Last Friday, my friends and I went to play tag rugby at Two Mile Ash School. We played against other schools and I think we did really well. The best part about tag rugby was catching the tags from the opposition. You had to be fast and determined to win. I really enjoyed it!"

Year 2

We have enjoyed a wonderful start to the new school year. This week, we have been looking at the work of Piet Mondrian in our Art lessons. We learnt about primary colours which Piet used a lot in his work and had a go at mixing them to make secondary colours.

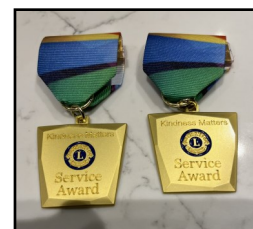

Pupils Achievement

Ridhi from Parsons class and Rua from Hauksbee class have been awarded the prestigious "Kindness Matters" service award by the Lions Club for all their volunteer work since 2021 and during the cost of living crisis.

They have worked at the local food larder in Bletchley and helped with many fundraising efforts as volunteers at Milton Keynes Village and in packaging donations of food, books and other items over several hours per month.

The club's international president has awarded only one youth group globally and Ridhi and Rua have been selected from thousands of youth volunteers around the world and are recipients of only 24 awards given this year.

Well done girls!

Empowering children to make a difference.

This academic year CHPS have registered for a Social Impact Award.

The award is designed to educate, inspire and empower the next generation of change-makers, teaching children about the world and the impact and change they can make.

In order for CHPS to achieve the award, we need to have logged at least one social action badge per child.

There are 12 social actions that can be achieved. Every social action, no matter how big or small, makes a difference. You are probably doing many already, but as the benefits of social action to children are huge, we hope that you take on the challenge to do as many as possible!

These are the 12 social actions that you can gain an award for:

Volunteering
Making a speech
Raising awareness
Protesting
Making a poster
Petitioning
Writing a letter
Fundraising
Organising an event
Donating
Starting a club
Changing your behaviour

Events and activities will be taking place for children to gain awards in school, but we are also keen for children to be creative and inspiring outside school. They can share the impact they have by bringing in evidence (that they have achieved since the Autumn Term) to share with their class so that we can be awarded badges in school.

Examples of evidence may be in the form of a photo, certificate, letter.

The badges will be awarded in the form of tokens that will be collected and displayed in school as a collective. Certificates will be awarded termly.

The first token in school has been awarded to Matthew for Raising Awareness.

Matthew has been making sign language videos and sharing with the school.

First Meeting Update

We had our first planning meeting of the new term and it was lovely to catch up with some familiar faces and welcome new members too.

The Autumn/Winter term will be packed with 'favourites' in terms of events and activities for the children and we have some possible new ideas in the mix as well. Watch this space!

Helping Hands

We cannot run our events without support, and we know we have a helpful and skilled bunch of school supporters, friends and extended family.

So here is a specific ask from us to you all, to see if we can make one of our 'new' ideas work.

Are there any budding DJs or musicians with a sound system that might be able to help us for a couple of hours one afternoon early December? If so, please get in touch urgently.

We are looking for volunteers to help at Movies and Munchies on 9th and 16th Nov (usually from 2pm until approx 4.30pm in 1 hour blocks). Places for Movies and Munchies are limited, so your child/ren gets priority booking if you volunteer to help.

How to get in touch

chpsfriendschat@gmail.com or <https://www.facebook.com/FriendsofCarolineHaslettPrimarySchool>

Pop over at the school gates and say hello. We are happy to chat. You can find more info about who we all are/what we look like on the schools website. We have a committee member in every year groups' WhatsApp, due to our mixed ages of children at the school, so please do reach out there too.

Other ways to help

- Volunteer 'on the day' (this means you only need be available that day & your kids go free!)
- Share/invite people to our Facebook page, your connections/other parents & the local community.
- Who amongst you has mad planning & organisation skills?
- Where are the gritty donation grabbers?
- Which of you loves to get stuck in with setting up & clearing away?
- Have you got creative bones or have 'kids favourites' skills that you could volunteer?
- Are you a skilled cook or baker looking for people to lap up your tasty creations?
- Become an active committee member. You will get priority booking to all the events, including those with limited spaces & you will be part of a friendly, supportive team of people who do this all for the children!

Dates for your Diaries

Movies & Munchies Y1 -Y3 **Thursday 9th November** and Y4 - Y6 **Thursday 16th November**.
We are working on which movies to chose with the help of the school council at the moment.

Next Friends Planning Meeting **Wednesday 1st November**
