Our signs this week are:

- Ball
- Bike
- To swim
- To dance

Matthew can show you the signs  
in action:

<https://youtu.be/eMz8gvVjTzE>

## Flu Vaccinations

The school nurses will be in school  
on the 28th November to administer  
the Flu Vaccinations to all children.

Information from the school nurses  
will come out to parents after the  
half term break.

## Learning Behaviours

At Caroline Haslett Primary  
School, we have 8 characters that  
help us remember the skills of an  
effective learner in all of our les-  
sons.

Next week's character will be  
Charlie the Co-operative Camel.

Encourage your child to practise the skills listed below and be  
like Charlie.

I listen to others.  
I ask when I don't understand.  
I am kind when I disagree.  
I explain things to help others.

## Pupil Achievement

Last weekend, Cooper from Maybach  
class completed grade 1 in ice  
hockey.

Well done Cooper!

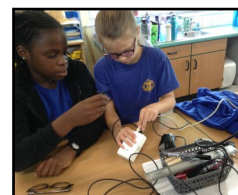

School email address is — [schooloffice@carolinehaslett.milton-keynes.sch.uk](mailto:schooloffice@carolinehaslett.milton-keynes.sch.uk)

## Computing

This week, Mayer class connected the peripherals needed to use a Raspberry Pi computer. They considered the purpose for each one:

- Power cable - connects the Pi to the electricity
- Monitor - is the output; it shows us what it's doing
- Keyboard - is the input; it lets us use the Pi
- Mouse - is an alternative input
- SD card - is the memory - all of the software and programs that tell it what to do are saved on there.

They explored the programs available and particularly enjoyed the Raspbian version of Minecraft.

## Pupil Achievement

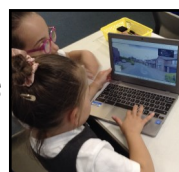

Hazel from Joules class has completed the 200 meters certificate from swimming.

Well done Hazel!

## Year 3

In Geography, have been investigating cities and finding important landmarks around the UK. Using Google Maps, we used both street view and satellite view to look around Shenley Lodge and view Caroline Haslett School, before moving on to famous destinations in London, Edinburgh and Cardiff. We will use our research to help create a travel guide in English.

## Pupil Achievement

Roddy from Aston class has received a certificate for his football skills.

Well done Roddy!

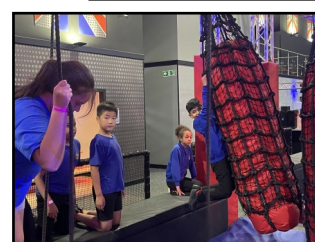

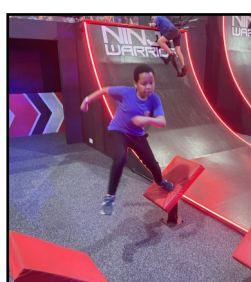

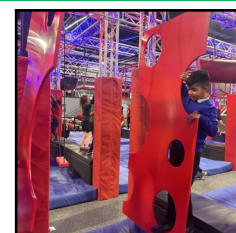

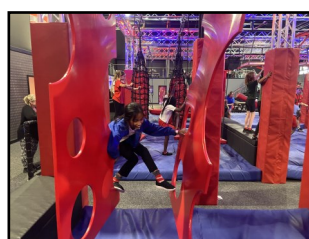

## Ninja Warriors

Last Friday, a group of enthusiastic and energetic children went to Ninja Warrior in Bletchley. They were there to work together and work alongside other schools.

They all had an amazing time working hard to overcome the challenging stations.

Naomika pushed herself over and over again to climb a really tall slope. She had to attempt it several times, each time getting a little higher until she finally managed to get to the top. The smile on her face was great to see. That is just one example of the pride and sense of achievement the children got.

## Netball

The year 5/6 girls' netball B team took part in a netball development festival on Monday. They played against different schools who varied in ability. They worked hard in the last two games where they won 1-0 and drew 0-0.

What a fantastic, bright, happy, yellow day we all had at school this week. Thank you to everyone who supported Caroline Haslett Primary School as we took part in promoting and raising funds for YoungMinds as part of mental health awareness day on Tuesday 10th October.

#HelloYellow  
**YOUNGmINDS**

**As a school we raised £506.35**

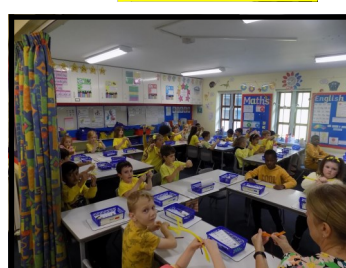

The children and staff all got involved by wearing yellow and taking part in class tasks.

The tasks encouraged the children to talk about wellbeing and mental health. There was such a variety of conversation and creative ideas.

**Thank you all for your support.**

If you or someone you know requires mental health support or guidance visit:  
[www.mind.org.uk](http://www.mind.org.uk) or [www.youngminds.org.uk](http://www.youngminds.org.uk) if you are concerned for a child.

## First Disco of the new school year was a HIT!

We had a lovely time with Crazy Casey from Corina's on Wednesday playing games and bopping the night away at the school disco!

Thank you to all those helpers behind the scenes who organised the event and those that came on the day to prepare and hand out snacks, as well as the staff for keeping everyone in check. We couldn't do it without you!

Watch this space to see how much we all raised!

## Halloween Activity

Maps are on sale NOW via ParentMail for those wishing to take part in the Halloween trail over half term; this was so popular we brought it back.

Each child that enters gets a Map and an activity pack included, what fun - get involved!

## Movies and Munchies

We are now planning and therefore looking for volunteers to help at 'Movies and Munchies' on 9th and 16th Nov (usually from 2pm until around 4.30pm or in 1 hour blocks).

Places for Movies and Munchies are limited, so your child/ren gets priority booking if you volunteer to help.
