## Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for next week will be Eric the Enjoy Learning Elephant. Encourage your child to practise the skills listed below and be like Eric.

I feel proud of all my achievements.  
I feel my neurons connecting.  
I imagine my intelligence growing by the minute!  
I use what I have learnt in real life.  
I know I can do it if I have input and I practise.

## National Epilepsy Awareness Month

November is National Epilepsy Awareness Month. Epilepsy is a neurological disorder that can affect any one of us regardless of race, age, or gender. 1 in 10 people will have a seizure and 1 in 26 will develop epilepsy during their lifetime.

Seizures are a symptom of epilepsy. Not all seizures are the same. Many people with epilepsy have more than one type of seizure.

Visit the NHS website for more information: <https://www.nhs.uk/conditions/epilepsy/>

## Tag Rugby

On a very cold and rainy Wednesday our tag rugby team travelled to MK rugby club in Emerson Valley. We played our first game against St Marys and St Giles which we won 6-3 and our second game was against TMA which we drew 3-3. The team really enjoyed using their skills learnt from PE lessons and training into practice against different schools. Hopefully next week the weather will be on our side!

## Year 4 Campbell Park Visit

Year 4 visited Campbell Park this week. Here are 2 quotes from Mai and Josh:

This week, year 4 visited Campbell Park it was cold and windy. We used a map to go for a walk. All my friends were enjoying it. We got into pairs one person used the map and the other one used the compass. Mai

We learnt all about 6 figure grid references. First, we played a game to find North, South, East and West. Then we did 6 figure grid references. Lastly, we read some maps and learned how to use a compass. Josh

Thank you to the friends association for funding our trip.
