## HOUSEWINNERS FOR WEEK ENDING 8.3.24

Hawking

## Pupil Achievement

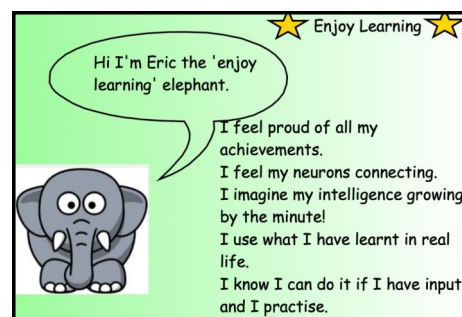

Darren from Pelton class collected a medal for trainer of the week at MK City Football club for his excellent progress and scoring goals in the game.

Well done Darren!

## Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons. The character for next week will be Eric the Enjoy Learning Elephant. Encourage your child to practise the skills listed below and be like Eric. I feel proud of all my achievements. I feel my neurons connecting. I imagine my intelligence growing by the minute! I use what I have learnt in real life. I know I can do it if I have input and I practice.

## Year 2

Last week on World Book Day, we were very lucky to have participated in a special STEM project as part of the Primary Engineers programme. We worked in pairs to make a train, following the instructions carefully to ensure our trains would move. As it was World Book Day, we themed the decorations for our trains around books. This week we will add a brake and then test our trains to check that they fit the brief (and that we're not off track!).

A big thank you to Jacob's mum who provided us with over 30 shoeboxes and made the project possible!

## Athletics

On Monday, our athletics team travelled over to Radcliffe Secondary School for an indoor athletics competition. Out of 8 schools our Quad kids team achieved 3rd place and our Sports hall team was awarded 2nd place. Well done team.

Coming up next week is the year 5&6 MK Netball FINALS!

Fingers crossed we can collect some more medals.

## Year One

The children went on a walk around the local area on Wednesday afternoon. We were looking for plants, flowers and trees as part of our Science. We found so much in our local area and we were able to record everything we found on our clip boards. The weather stayed dry and we all had a lovely afternoon. Thank you to the parents who came to help.

## International Women's Day

Last Friday we hosted a Let Girls Play football event. Girls from across KS2 came and had fun playing mini games against their friends and other year groups. A big thank you to Russell and his helpers for setting up the event. Russell hosts a girls football club on a Wednesday after school, on the school field and it would be great to see as many girls coming to the club (we are hoping to open the club to year 3's in the summer term).

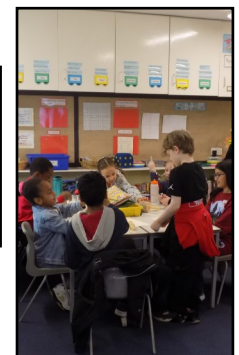

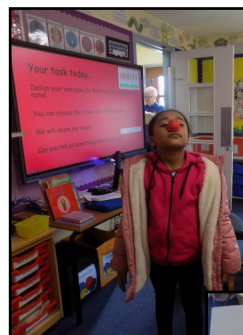

## Foundation

This term our topic is 'People Who Help Us', and we had some very special visitors in Foundation last Friday! The children were very intrigued about their role in the community and they had lots of questions for the Police. They were able to learn about their special equipment and try on parts of the uniform. Our visitors were super impressed by our Foundation children and their knowledge of what the Police do to help keep us safe. We have continued our learning this week in our Police role play area!

## Red Nose Day Do Something Different

The children had a great morning doing lots of different activities around the school and we managed to raise a lots of money!  
Thank you all for your contributions.

## The Big Easter Bingo Event

The tickets for this went on sale on Wednesday and sold out in a flash!

Please let the school reception know if you can no longer make it, as we know there are people who would still like tickets.

We want to include Easter Eggs for our Bingo prizes, so if you have any spare, please donate them at the school reception.

There will be up to 6 different coloured games, with the prizes for this year's Bingo as follows:

**Winner 1** - 1 Line completed - win a small/medium Easter Egg and £5

**Winner 2** - Full House - win a medium/large Easter Egg and cash prize:

**Game 1** - £10

**Game 2** - £15

**Game 3** - £20

**Game 4** - £25

**Game 5** - £30

Keep an eye out for the Easter Bunny!

## Fundraising Friends & Super Kind Award

With the Easter holidays coming up in just two short weeks, why not take a moment to see if you can do some volunteering or design a challenge to raise funds for our school or other worthy charity? Please see the poster and earlier email on ParentMail for more details.

### School Holiday Activity Idea

Educate, inspire, and empower the next generation of change-makers, teaching children about the world and how they can impact change.

**Have you heard your child mention the social impact award?**

Looking for something to do during Feb or Easter half term? Get your thinking caps on and come up with a volunteering or event organising 'opportunity' or 'idea' that allows children to fundraise.

## Movies & Munchies - Wonka

Yesterday was our last Movies & Munchies event of the year, for Years 3-6, who enjoyed the new Wonka film with great success. Thank you to the wonderful team of volunteers, who ensured everything was prepped and handed out so the children could enjoy their snacks during the film.

## Committee Meeting

We held our Spring Term Committee Meeting in the School Staff Room this last Wednesday, discussing a range of topics from our finances (and how we can use them to improve our children's enjoyment of school) to our Big Easter Bingo Event. As always, we had a very successful meeting and a lovely chat. A big thank you to our dedicated team on the committee! Our next meeting is scheduled for 19:30 on Wednesday 1 May. Please feel free to join us!
