Star of the Week for 'Smart Appearance'

ASTON: Oscar
PELTON: Elisa
UPTON: Nida
EDISON: Anaya
RUTHERFORD: Aidan
VOLTA: William
CROWTHER: Alejandro
MAYBACH: Ajeet
MURREY: Olivier
JOULES: Sidra
MAYER: Mia
WINSTANLEY: Aaliyah
HAUKSBEE: Naomika
PARSONS: Emilia

BEST CLASS ATTENDANCE WEEK ENDING 29.3.24 :

Upton class with 98.75%

Caroline Haslett Attendance week ending 29.3.24

Caroline Haslett 95.06%

March Attendance (National)

Milton Keynes Attendance 93.47%

National Attendance 91.7%

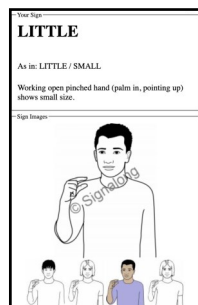

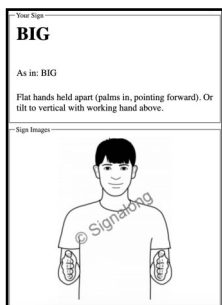

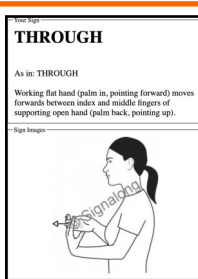

Numbots
Well done to
Edison class!

Signs of the Week

The signs for this week are:

- Beside
- Through
- Big
- Little

Here is Matthew to show you how it's done:

TT Rockstars

Well done to Parsons class!

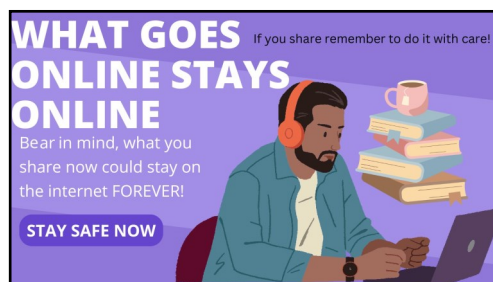

HOUSEWINNERS FOR
WEEK ENDING 29.3.24
Goodall

Online Safety Byte

Children in Year 5 have been learning that the information they share online leaves a digital footprint or "trail." Depending on how it is managed, this trail can be big or small, and harmful or helpful.

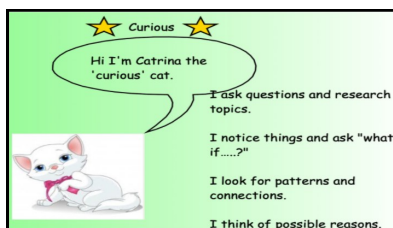

The children have been comparing different trails and thinking critically about what kinds of information they want to leave behind.

Here is a useful information poster created by Tamim.

Learning Behaviours

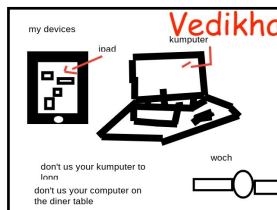

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons. Next week's character will be Catrina the Curious Cat. Encourage your child to practise the skills listed below and be like Catrina. I ask questions and research topics. I notice things and ask "what if...?" I look for patterns and connections. I think of possible reasons.

School email address is — schooloffice@carolinehaslett.milton-keynes.sch.uk

Online Safety Byte

In Year 1, the children have been exploring technology and how it can help them. They have become more familiar with the different components of a computer by developing their keyboard and mouse skills and they have also started to consider how to use technology responsibly. They have written some rules to follow when using their devices.

Pupil Achievement

During the holiday, Darren from Pel-ton Class completed a day camp in Ride High. He used to be scared of going near and definitely not getting on the ponies, but he did it this time, and we are very proud of him.

Well done Darren!

Pupil Achievement

Olympic inspiration! Over the half term, Salma from Maybach class completed an intense figure skating training camp with Great Britain's Olympic coaching team. She successfully nailed 3 technical skills that she set out to learn at the camp - in part with hard work, and in part being motivated with a great atmosphere with friends and role models like Great Britain's 2022 Olympian Natasha McKay as seen here.

Well done Salma!

Bikeability Olympics

On Tuesday, five year 5 and 6 children took part in the first of the Bikeability Olympic heats. The children took part in five different stations which included, obstacle course, bike detectives, redway trail, slow race and a skills race. They worked really hard and came away with 1st place! This means that we are through to the finals which will be held on the 5th July (venue TBC).

Well done Krishi, Lewis, Omna, Noah and Herby.

Brass Concert

On Thursday, morning KS2 children were treated to a wonderful brass concert by Milton Keynes Music services. They demonstrated how the trumpet, cornet, French horn and trombone are played. They even showed us how to play a hosepipe and funnel! Having the opportunity to watch real professionals play live is inspirational and they shared with us how much they enjoyed playing their instruments - especially when they are playing in a group. It was so lovely hearing 'Ave Maria' echo around the corridors and staff in the offices had to stop and listen! The children were really engaged too. A **BIG THANK YOU** to MKMS for giving up their time.

Denbigh School Drop In

Potential Denbigh parents who have children with additional needs/concerns are invited to go along to their drop in session on the 5th June.

Come and join the Denbigh SEND Team for a friendly chat

Join us to chat over coffee at our drop-in sessions to share ideas & gain insight with our SEND Team & other parents.

The sessions are from 3:30 to 5:30pm on:
Thursday 2nd November 2023
Wednesday 28th February 2024
Wednesday 5th June 2024

Your child does not need to be on the SEND register, any parent interested in the SEND world is welcome.

For more information contact
Mrs Asif (Deputy SENDCo)

Superkind Award - Empowering children to make a difference.

WELL DONE EVERYONE!

We have collectively gained 873 superkind tokens since the start of the academic year, the leader board is displayed in school and certificates awarded in assembly to classes.

Thank you to those children that dedicated time in the holidays to raising money for FRIENDS. We heard of an array of sponsored activities from walks, litter picking and cycling. These children have been awarded a Fundraising token and their efforts shared in class.

In order for CHPS to achieve the award by the end of the year we need to have logged at least one social action badge per child. The award is designed to educate, inspire and empower the next generation of change-makers, teaching children about the world and the impact and change they can make.

Here are some examples of the activities in school that have taken place:

- Poster making: Sun danger, anti-bullying, healthy lunch boxes, mental health
- Volunteering: Litter picking, bingo at a local care home with residents
- Sharing: News bulletins, chronological reports
- Organising events: Fundraising, digital leaders planned and delivered sessions on safer internet day.

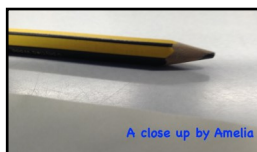

If your child has taken part in an activity outside of school please remember to share with the class teacher or Ms Squires so that we can celebrate their successes in school and ensure that they are awarded their Superkind token.

| Class Leaderboard | | |
|-----------------------------|------------|-----|
| September 2023 - March 2024 | | |
| School Total: 873 | | |
| 1st Place | 🏆 Mayer | 199 |
| 2nd Place | 🥈 Maybach | 153 |
| 3rd Place | 🥉 Crowther | 146 |

Computing

In the first lesson of our Digital Photography unit, Year 2 used the iPads to take photographs. The children recognised what devices can be used to take photographs, talked about how to take a photograph and explained what they did to capture a digital photo. As the unit progresses, we will gain experience editing and improving photos. The children will use this knowledge to recognise that images they see may not be real.

Wellbeing Cafe and Wellbeing Fair

DATE FOR YOUR DIARIES

In order to get to know parents/carers and to build partnerships Ms Squires runs a monthly afternoon wellbeing cafe.

The cafes are an opportunity to discuss and share ideas for supporting your children's and families wellbeing in and out of school.

Ms Squires welcomes parents to attend further cafes this term.

Please make note of the upcoming dates.

Thursday 25th April 2:15-3pm

**Thursday 23rd May
WELLBEING FAIR 2-3pm**

Tuesday 27th June 2:15-3pm

Big Bingo Event Final Amount

The popular Bingo Event complete with Easter Bunny, raised £577, thank you to all those that planned, run and attended the event, we look forward to the next one.

Fundraising Friends and Super Kind Award

We encouraged children (with adult support) to setup a fundraising challenge for themselves over the Easter Holidays. Jack and William have raised over £350 between them for the friends and this will earn them their super kind awards in school.

If you know of anyone else that took part in some fundraising over the Easter break - we would love to hear from you and if you would like to sponsor Jack or William, these are their fundraising links:

School Holiday Activity Idea

SUPERKIND
SUPERKIND
SUPERKIND

Educate, inspire, and empower the next generation of change-makers, teaching children about the world and how they can impact change.

Have you heard your child mention the social impact award?

Looking for something to do during Feb or Easter half term? Get your thinking caps on and come up with a volunteering or event organising 'opportunity' or 'idea' that allows children to fundraise.

- Sponsored Litter Pick
- Charity Car Wash for Friends & Family
- Sponsored walk, hike, run, swim, ride, scooter, or skip
- Toy Sale
- Sponsored Silence

Fundraising Friends & Super Kind Award

Use the email sent in parent mail to think about what you would like to do and use the step by step guide, to set up your fundraising page.

Dates for the diary and information

Wed 1st May Friends - Committee Meeting, school staff room all are welcome

Thursday 23 May - Wellbeing Fair

Wednesday 5th June - Summer Disco (new date)

You can help in your own way

I wanted to take this opportunity to thank Kirsty and Freda for volunteering to sort out our storage cupboard today. This is another example of a behind the scenes job that needs to be done, which actually has a huge impact on organisation for events etc. Thank you ladies!

We cannot run our events or be this organised without your support and we know we have a helpful and skilled bunch of school supporters, friends and extended family so here are just some of the ways in which you may be able to help us:

- Volunteer 'on the day' (you only need to be available that day & your kids go free!)
- Share/invite people to our facebook page
- Who amongst you has mad planning and organisation skills?
- Where are the gritty donation grabbers?
- Which of you loves to get stuck in with setting up and clearing away?
- Have you got creative bones or 'kids favourites' skills that you could volunteer?
- Are you a skilled cook or baker looking for people to lap up your tasty creations?
- Become an active committee member= priority booking to all events, including those with limited numbers and become part of a genuine and supportive team of really great people.

The Friends Committee meets roughly every 6 weeks on a Wednesday at 7.30pm at the school and we would love to see some new faces at our meetings. Why not pop along to the next meeting to see for yourself?

The Committee is made up of all kinds of backgrounds and circumstances, but what we have in common is the enthusiasm to help the children enhance and enrich their lives at school.
