Cycling Competition

A team of 6 children travelled over to Bushfield school on Monday to take part in a cycling competition against other schools. The team performed really well in 3 different races. They all finished in 1st or 2nd place in the 100m and 200m sprint races and finished within the top 6 for the 600m.

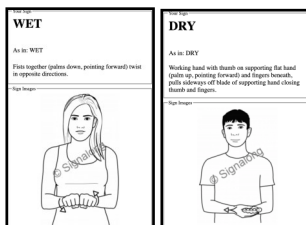

Overall the whole team came within the top 5 children of the event with the boys Lewis 3rd place, Krishi 2nd place and Noah 1st place. The girls, Tarini came 5th, Omna 4th and Herby 2nd. Well done team!

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week, our character will be Derek the Determined Dinosaur. Encourage your child to practise the skills listed below and be like Derek.

I don't give up.
I keep trying and keep going.
I work hard and try new strategies.

Year One

The children had an exciting morning on Tuesday. We had the Big Bubble Theatre Group come into school to do a workshop about the Great Fire of London. Thomas Farriner the baker worked with us and told us all about the fire and how it started. Some of us even got to dress up as the key figures from the Great Fire. We sang songs and acted out the fire. Lots of fun was had by all!

Pupil Achievement

Last week Evvi received his 100m Rainbow distance certificate. We are super proud of him.

Well done Evvi!

Junior Park Rangers

This week, the Junior Park Rangers delivered assemblies to all the children in school. As well as reporting on the beautiful bluebells that can be seen at Howe Park Wood, they introduced Hedgehog Awareness Week. This runs from 5th - 11th May.

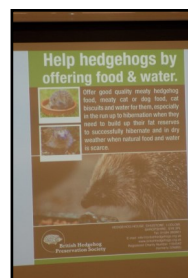

Hedgehogs are really struggling and there are only half the numbers of hedgehogs there were twenty years ago. The reasons that hedgehogs are struggling are because of things like:

- Getting hurt by litter that people have dropped
- Getting run over by cars
- Being poisoned by slug pellets that people use in their gardens
- Not having enough space to live and hibernate in

Hedgehogs are what is called an "Indicator Species" which means that if they are doing well, lots of other animals are doing well too, because they share the same habitat (home), food and environment as other wildlife. If hedgehogs are not surviving very well this means that other creatures aren't either so there are a few things we can do to help.

We can:

- Make sure we pick up our litter
- Leave piles of dried leaves and sticks for hedgehogs and other wildlife to sleep and hibernate in
- Leave out saucers of drinking water, especially if it's sunny and hot
- Ask everyone not to use slug pellets

Spending Funds in School

As you know from last week's newsletter, children have started to use new playground equipment funded by the Friends Committee and I heard a lovely story about this that I wanted to share with you.

Some Year 3 children have been using the building blocks to further their classroom learning in to break times by building tombs and combat gear from the Egyptian era,

It is lovely to think they can creatively carry on their learning in break times too!

Dates for the diary

5th June - School Disco

This year, Foundation children we be able to join their friends too. Tickets will go on sale soon, so watch this space and we will be in touch with our lovely disco volunteers very soon.

Committee Meeting

This week we held our penultimate committee meeting of the academic year and have made final plans for events and activities for the rest of the summer term. Keep reading for more information.

We welcomed a new committee member whose child is in foundation and the team is going from strength to strength.

We have arranged our **AGM for Thursday the 11th July at The Old Beams at 7.30pm**, where we will share the accomplishments of the year and make a plan for the new school year.

We would love to see some new faces, so please consider coming along for a little drink and get to know us.
