

Year 1

We have been very busy in our DT lessons this week. We have all designed and made our own fire engines. The fire engine had to have moving parts with 4 wheels and 2 axles. We all used a hacksaw to cut our wooden dowels and carefully measured our axles to fit on the chassis. They all looked fabulous and the children were all very proud of their finished products.

Summer Picnic and Talent Show Event

This year we will host a summer picnic on 14th June at 3:30pm, complete with entertainment from children in the school talent show, run by the fabulous Mrs Ottaway. There will also be a raffle, the friends 2nd hand uniform stall (especially useful for foundation students starting in Sept to pick up some uniform) and the ever popular tuck shop will be back!

Talent Show

Calling all talented singers, dancers, band members, musicians, comedians, tightrope walkers, fire breathers and unicycle riders! Do you have a talent that you would like to share with the world?

Following on from the successful show last year, we will be having a talent show at this year's summer fete after school on Friday June 14th.

Mrs Ottaway will be auditioning acts on Tuesday/Wednesday 4th/5th June.

If you would like to audition, make sure you practise over the half term holidays and bring any resources you need that week.

Good luck everyone!
