

STEM Roadshow

On Thursday afternoon, Years 4, 5 and 6 were lucky enough to have a visit from BAE Systems, the Royal Navy and the RAF to share their STEM Roadshow.

During the show, the children learnt about electricity and how different forms of electricity are created.

We experienced some 'hair-raising' moments with the Van Der Graaf machine when exploring static electricity and the children thoroughly enjoyed the entertainers and were captivated throughout the show.

Year 3 Woburn Trip

We enjoyed a trip to Woburn Safari Park this week, where we got up-close to many amazing wild animals before attending a fantastic workshop. First, we had a guided coach tour, which was led by a very informative Education Ranger. Then, we had time to explore the Foot Safari, where children particularly loved the Land of Lemurs as we got to see 6 week old baby lemurs playing with their siblings - they were so cute! The wallabies and meerkats were also a big hit with the children. After lunch, it was time to visit the Enrichment Centre, for a session on 'Senses and Movement' (which linked to our science topic 'animals including humans'). The children really impressed the Educational Ranger with their scientific knowledge on the subject!

Well done Year 3 on learning new, fascinating animal facts - it certainly was a fun, interesting, educational day!

Junior Park Rangers

This week, the Junior Park Rangers led an assembly for the children in Foundation and Key Stage 1. Their theme was water safety. The younger children listened carefully and could answer the quiz questions at the end. The following day, the children in Foundation Stage were telling their teacher all about the facts they'd learnt.

Well done Park Rangers!

Picnic in the Field Rained Away

We are so disappointed that we have had to cancel the Picnic in the Field for today, but we couldn't risk it with the British weather. We hope to find another Friday afternoon before the end of term so that we can enjoy the children's Talent Show after all. We'll keep you updated!

Picnic Raffle

Our list of prizes has grown and tickets are for sale online. All prizes will be drawn during an assembly in the next week or two. We will also sell tickets at the ice lolly sale when the weather allows.

- 1st prize - Mia Tui handbag bundle worth £74 - 1 small cross-body bag, 1 small backpack & a coin purse
- 2nd prize - Jill Foster Dance Centre Voucher worth £70 - 2 places on any of their 5 week "learn to dance" courses
- 3rd prize - Gravity Trampoline Park Voucher worth £50
- Hollywood Bowl bowling game for 4 ppl (2 to win)
- Shenley Church End Leisure Centre Voucher for 12 months free fitness and classes worth £22
- Climb Quest Voucher for 1 child's climbing session worth £16.99

Friends of Caroline Haslett AGM Thursday 11 July, 7:30pm, Old Beams

We have been keeping our fingers crossed for proper picnicking weather, but we have no control over the rain!

However, we do have control over our last get-together before the summer holidays to celebrate our successes and drown our rainy picnic sorrows!

We'd love to welcome you to join us for a drink and a chat!

Tea Towels and Tote Bags

Our annual tea towel and tote bag designs are back! Your child has already created their self portrait and you should have received your order info and parent mail email this week with information about the online shop. This year you can purchase their designs on a tea towel, tote bag, mug and coasters. It makes for a gorgeous keepsake or gift!

Please remember though orders must be placed by the 25th June.
