

Pupil Achievement

Ainaakshi from Crowther class achieved her grading in Marital Arts (speciality in kickboxing) and she received her orange belt.

Congratulations Ainaakshi!

Pupil Achievement

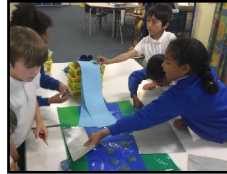

Alfred and Maia, two star players in their kids' football club, won an award for their amazing skills on the field. Their hard work and teamwork helped them achieve this special recognition.

Well done Alfred & Maia!

Year 3

In Geography, the children greatly enjoyed creating 3D models of a river system from its source to the mouth. Fantastic teamwork was displayed as children used various materials to bring their ideas to life. They then correctly labeled the different parts of their creations including: tributaries, flood plains and meanders, which showed their thorough understanding of a natural water system from our learning. Very impressive Year 3!

Volta Class

On Wednesday afternoon, we were delighted to participate in the Primary Music Festival. The songs were all about being environmentally friendly and the children had really enjoyed learning them at school prior to the event. It was wonderful to sing along with a live band as well as singing with all of the other schools. Kimi even got to go up on stage! All of the children in Volta class had a fantastic time! A big thank you to Mr Quinton for driving us on the minibus.

Junior Park Rangers: Competition winners

Last term, we asked children to send in a photograph that captured any aspect of wildlife in and around Milton Keynes. We had a brilliant selection of photographs which made the judging harder than ever.

Well done to the winners!

Foundation Stage: David [Pelton]

Key Stage 1: Jacob [Rutherford]

Key Stage 2: Ahmad [Murrey]

All of the amazing entries will be on the Junior Park Rangers' page of the school website from next week. Do take a look.

Year 4/5 Choir

This week, our Y4/5 choir joined a number of other MK school for an afternoon of singing. They sang beautifully and, as always, were a credit to the school.

Brazilian Football

Brazilian Soccer Schools visited the school last week and some year 2 children had a great time learning some new skills!

Year 6 Residential

Year 6 are back from their residential this week after 4 days in Dearne Valley. They absolutely loved it! It was wonderful watching our children tackle new challenges, from navigating the high ropes 50 feet in the air to building and sailing their own rafts on a lake. The children represented our school fantastically and as a team we are so proud of each and every one of them.

Safe to say we have had some sleepy children in school, but the memories we made were worth it!
