

Learning Behaviour

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week's character will be Colin the 'Concentration' Caterpillar. Encourage your child to practise the skills listed below and be like Colin.

I manage distractions.
I do one thing at a time.
I concentrate really well and I notice everything.

Pupil Achievement

Akshatra from Rutherford class was recently promoted to yellow belt in Total Dojo.

Well Done Akshatra!

Pupils Achievements

Travis from Mayer class and Cooper from Maybach class received awards at the weekend for playing for MK Storm Ice Hockey Team. It was the end of season awards and Travis received a trophy for most improved player. Both boys received a medal for all their hard work and participation.

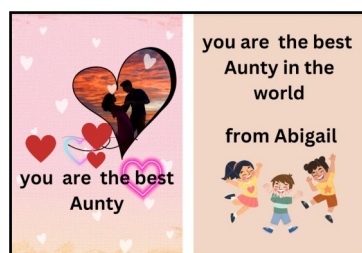

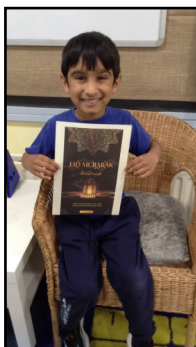

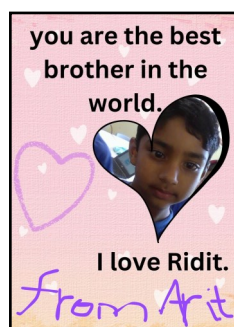

Congratulations Travis and Cooper!

Computing

Year 1 students have been busy in computing. As part of our 'We are Celebrating' unit, the children have created a variety of cards in Canva including "Happy Birthday," "Happy Eid," and "I Love You" cards. Each card has been a unique reflection of the student's creativity and thoughtfulness.

Next week, we will continue our card-making journey by creating "Thank You" cards. This will be an opportunity for the children to express appreciation through their digital designs.

GIVE RUGBY A TRY

Experience the excitement of playing rugby in a friendly and supportive environment.
