Dear parents,

Welcome back to the school year 2023-24. I hope you have all had an opportunity to have a break with family and friends, I know from speaking to some of the children that they have had an action-packed summer and have been very busy. They do however all seem to have grown an extraordinary amount this summer!

It has been a very busy summer at school with new sports/games markings on the large play-ground, new flooring in the concourse, the toilets in the year 2,3,4 area have been refurbished, and new carpets laid in year 5.

We had to delay the installation of the perimeter gates on Redwood Gate, but hope to have the work completed by half term.

I look forward to another successful year at CHPS where we continue to grow from strength to strength in partnership together to promote excellent outcomes for our school community.

Learning Behaviors
