

## Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week, our character will be Derek the Determined Dinosaur. Encourage your child to practise the skills listed below and be like Derek.

I don't give up.  
I keep trying and keep going.  
I work hard and try new strategies.

## Reminder

Please do not bring dogs on site when you are dropping off or collecting your child from school.

## Reminder

Please remember to label your child's uniform (including shoes and coats).

We already have a very large quantity of lost property in school, all without names.

## WORLD MENTAL HEALTH DAY

### Hello Yellow

Thursday 10th October is World Mental Health Day. We shall be raising awareness and funds for Young Minds. Children can come to school dressed appropriately in yellow and donations will be collected on the school gate.

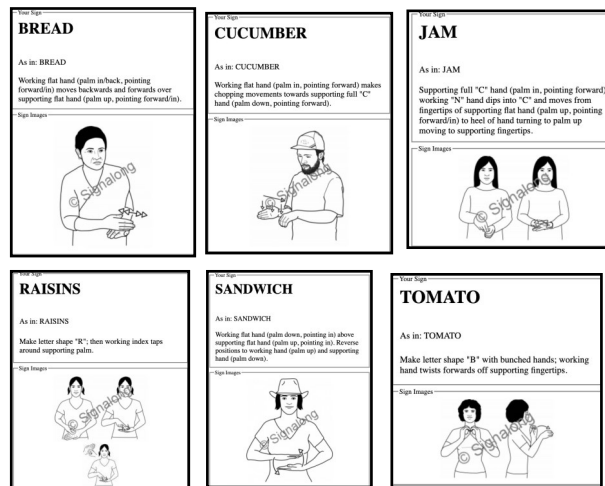

## Sign of the Week

Here are the signs for this week:

## Online Safety

In a week of Online Safety at Caroline Haslett, with the help of our online safety characters, our children revisited how to stay safe online. Children across school were reminded how to use technology responsibly with Clockwise, evaluate digital content with Mr. Optetech, report inappropriate content with Raptious Reporter and be kind online with Goodall's Good. Children in Year 5 decided which information is appropriate and not appropriate to include in a social media profile and used Fakebook to create a social media profile. For more information on how we learn to stay safe at Caroline Haslett visit our Online Safety section on our website at <https://bit.ly/oschps>

## Year 3

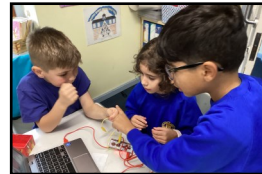

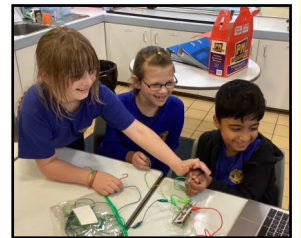

In English this week, Year 3 have been writing about the nasty, unkind grandma in our whole class reading book, 'George's Marvellous Medicine.' Children loved both getting into character, and interviewing the mean old lady! It really brought the character to life, as we have some fantastic actors in Year 3! We are looking forward to reading some imaginative character descriptions.

## Computing

Pupils in Year 3 have enjoyed exploring the Makey Makeys.

We used the following items to create inputs: people, playdough, apples, bananas, tomatoes, bread, cheese strings, paper clips, split pins and a heavy pencil.

## Year 5 Computing

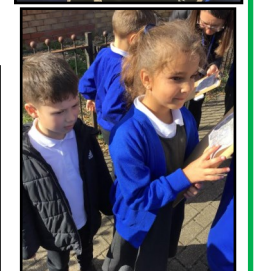

In Year 5, we have been creating a program to run on a controllable device. We used the microbits to apply our knowledge of programming to a new environment, test our program on an emulator and transfer our program to a controllable device.

## Year 2 Local Walk

This week, Year 2 conducted a local area walk as part of their Geography learning. The children worked together in pairs to follow the route on the map. They identified the human and physical features of our local environment as they walked.

Thankfully, the sun was shining!

## Secondhand Uniform Shop

Don't forget you can buy preloved uniform through 'Uniformd'. Logo'd jumpers, cardigans and PE T-shirts will continue to be sold online and stock will be updated as soon as possible after donations. We hope to have a physical stall outside school reception every half term or so, with all size-sorted stock available for purchase by cash or card. Uniform donations can continue to be dropped off at the school reception.
