School re-opens Monday 31st October

Parents' Evening

Parents' evening will be taking place next Wednesday and Thursday

TT Rockstars

TT Rockstars winners this week were Hauksbee 100%

Numbots winners were Rutherford Class

Cross Country Event

Our school went to the Milton Keynes cross country event at the Bowl last weekend. We had a strong team full of young athletes ready to give their best and they didn't disappoint!

We ended up with Megan, Adam, Hadassah and Noah coming though in the top twenty! This qualifies these children to go to the regional training and have a chance to compete against the rest of the country! Noah, in particular, is a special achievement, as he was a Year 4 competing against Year 5s!

I am very proud of all of our athletes, as I know the rest of the school is as well.

Mr Rutherford

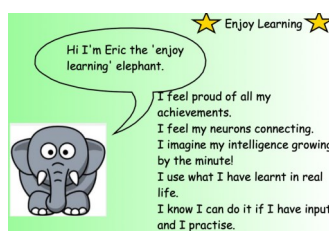

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week's character will be Eric the Enjoy Learning Elephant. Encourage your child to practise the skills listed below and be like Eric.

I feel proud of all my achievements.
I feel my neurons connecting.
I imagine my intelligence growing by the minute!
I use what I have learnt in real life.
I know I can do it if I have input and I practise.

**Servant King, Church and
Community Centre
Sunday 16 October 2022 at
6.00pm**

A quiet service creating space for the community to come together to reflect, to pray and to light a candle

School email address is — schooloffice@carolinehaslett.milton-keynes.sch.uk

Pupil Achievement

Jaxon competed in a Gymnastics competition at the weekend (MK Tumbling Open), the first for his new club in the Tumbling Squad.

He won a Gold medal for Tumbling in the 7-8 category and another Gold for most overall points in his age group.

Well done Jaxon!

Football 11th Oct

We had a game against Emerson Valley school this week. We took a team from across Years 5 and 6 and they played brilliantly! To begin with, we were on the defence and conceded, however the lads banded together and pulled it back with some excellent teamwork and skill. DJ scored a goal from outside the box, top corner and we had Dylan, who played like a pro, in his first competitive game for any team ever. We all decided he should be man of the match. The team came back from 3-1 down to draw 3 all

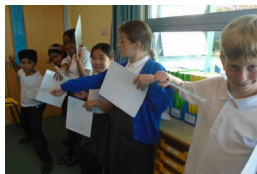

Well done lads!

Search CHPS to find us.

Year 5

We have been learning about Viking raids against the Anglo-Saxons. Children in Winstanley class discussed reasons why they should invade Mayer class before launching a surprise 'attack'. During an afternoon lesson, Winstanley class surrounded Mayer class in a shock invasion! Mayer class were completely caught off-guard and were totally unprepared for the raid! We discussed how class members felt about the takeover. Members of Mayer class felt shocked, surprised and disadvantaged, while Winstanley felt strong, excited and powerful.

Yr 2 Computing

This week in Year 2, we learned how choices are made when using information technology. We explored the choices that we make and we discussed simple guidance for using information technology in different environments and settings. We looked at the Children's Commissioners Digital 5-A-Day as easy to follow, practical steps for children and parents to achieve a healthy and balanced digital diet. According to the NHS's evidence-based 'five steps to better mental wellbeing', having the following in our daily diet is important:

1. Connect
2. Be Active
3. Be Creative
4. Give to Others
5. Be Mindful

We explored a range of activities incorporating the digital 5-A-Day.

Competition Winners

Elsie and Alfie went to Pizza Express and won the 'Guess the correct number of sweets in the jar' completion. They won the whole jar of 87 sweets!

Digital Leaders

This week, the digital leaders connected the peripherals needed to use a Raspberry Pi computer.

They considered the purpose for each one:

Power cable - connects the Pi to the electricity

Monitor - is the output, it shows us what it's doing

Keyboard - is the input, it lets us use the PiMouse - an alternative input

SD card - is the memory - all of the software and programs that tell it what to do are saved on there.

They explored the programs available and particularly enjoyed the Raspbian version of Minecraft.

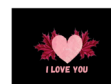

Mental Health Day # Hello Yellow

Caroline Haslett Primary School took part in promoting and raising funds for YoungMinds as part of mental health awareness day on Monday 10th October.

As a school we raised £419.26.

Please find full details of the day on a separate ParentMail message.

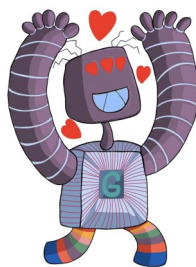

Dear Natalie you have been the best friend for 3 years I love you till you was a baby
Aislinh

Online Safety Byte

This week's Caroline Haslett Online Safety Hero is Goodall's Good. Goodall's Good reminds us to be kind online. She has rainbow legs to help us accept everyone no matter what hair or skin colour they have. Goodall's Good will be warm and tender-hearted to everyone whoever they are. She has long arms which will stretch around the virtual world and give a giant hug. She sends lots of love to everyone with her helpful hearts.

Goodall's Good was designed by children from the Goodall house.

Uniform Reminder

Please ensure your children are coming into school in the correct uniform.

- Suitable footwear (black shoes)
- Hoodies for PE (black or blue) no bright colours.
- No visible necklaces, or bracelets and hoop earrings that cannot be removed must be covered by micropore tape.

HALLOWEEN PHOTO COMPETITION

How to enter:

Step 1: Purchase your entry on Parentmail from Tuesday 11th October until Thursday 20th October.

Scariest Costume Category: £1
Most Creative Costume: £1
Best Dressed Family: £1

Step 2: Dress up and take your photograph on or before 31st October - photos to be submitted by 1st November.

Step 3: Send your photographs, detailing your child's name and which category you are entering to chpsfriendschat@gmail.com

Step 4: Wait to hear if you won.

Judging will take place in school by Mrs Ottaway and the winners will be announced on Friday 4th November

Prizes for each category winner!

Disco

Thank You

Another successful disco with many happy faces. A popular and well attended event, with 260 children across the 2 discos.

Thank you to all those that helped run and prepare this event.

Every bit of help is so important in order for these events to happen.

Movies and Munchies

We have 2 Movies and Munchies dates set for this term.

Thursday 17th November - Years 1-3

Thursday 24th November - Years 4-6

This is £5 per child. They watch the film in the school hall, enjoy a sandwich, snack of crisps or popcorn and a water or juice.

Parents collect children from the main entrance at 5.30pm.

Tickets will be on sale after half term.

Uniform

Do not forget to take a look at our Uniform site at the following link:
