## Year 3 Geography

The Year 3 team welcomed back the children last week, who were so happy and eager to get stuck into learning!

In Geography this half term, the children have started using atlases to locate key cities in the UK, as well as naming the group of countries it consists of.

The children have enjoyed the activities and enthusiastically pointed to many other destinations outside the UK which they have visited during the summer break.

## Pupil Achievement

Noah from Murrey Class participated in the 2km Junior Park Run on Sunday and he got 1<sup>st</sup> place out of 98 parkrunners. Well done Noah!

## House Captains

We are very honoured and grateful to be the house captains this year. We will be proud to represent our houses upon our success. We will be responsible and work as a team. We promise to respect others houses and be kind to everyone. All of us (the house captains) will take our duties seriously and responsibly. We will count up smart spots fairly and not cheat. We will do our best in everything we do, and do it together.

## Medicines

Reminder, children must not be bringing any medicine into school in their school bags.

All medication must be brought into the school office where you will be asked to complete a form giving details of the medication and dosage. This will then be passed onto the teacher or kept in our medical room.

## National Teaching Assistant Day

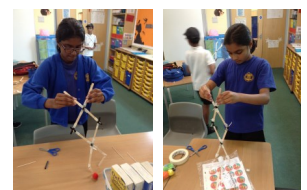

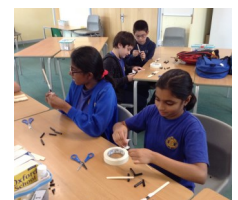

We said thank you to all of our amazing Teaching Assistants today with some lovely cakes! Thank you for all the hard work and support that you give to the children all year round.

## STEM Club

Ten children from Years 4 and 5 have joined our first STEM club. This week we enjoyed creating a Robotic Grabber. The children created levers and linkages using lollysticks and straws.

The main section of the grabber was a rhombus and we noticed how the rhombus changed shape as we 'squeezed' the grabber.

## School Fundraising Amazon Smile

Friends of CHPS are introducing the easiest way to help CHPS

smile.amazon.co.uk

What is AmazonSmile?  
AmazonSmile is an easy, automatic way to support Caroline Haslett Primary School every time you shop. NO COST TO YOU!

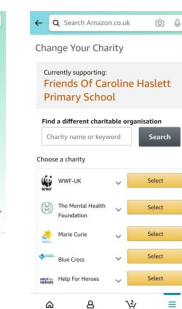

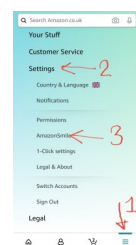

When you shop at smile.amazon.co.uk:  
- Same prices and selection  
- No cost to you  
- Use your current Amazon account  
- Or create a free account with an email and password  
- AmazonSmile eligible purchases will be noted on the product detail page

To sign up:  
- Go to [www.smile.amazon.co.uk](http://www.smile.amazon.co.uk)  
- Enter your amazon username and password  
- Select "Friends of Caroline Haslett Primary School" (Shirley Lodge)

Shop amazon.smile to donate 0.5% of your eligible purchases to Friends of CHPS

Remember: you need to shop through the AmazonSmile portal or enable the AmazonSmile within your Amazon app. Purchases on the regular Amazon site will not donate the 0.5%!

Please share with friends and family and encourage them to choose Friends of Caroline Haslett Primary School as their AmazonSmile charity!

It is really simple to set up, and works on a commission basis, you continue to order your goods from Amazon in your usual way but the school receives a commission with every purchase made.

## Friends of CHPS

Ordinary Committee Member - Andrea Fergusson  
Social Media - Natasha Rickard

Our final figure for profit last year (2021 - 2022) was an amazing £8923.87.

Some of this will be used this year to install a new sound system in the hall and purchase an outdoor PA/ sound system to enhance events and school activities.

## Save the date for the School Disco

Wednesday 12th October

More information will follow next week.

## Movies and Munchies

As Movies and Munchies is a firm favorite, it is back again but looking a little different this time.

The younger years will be invited to the first date and the older years to the second date.

We are trialing this to see if it helps the children sit for the film more easily.

The films are to be confirmed but save the dates:

Thursday 17th November - Years 1-3

Thursday 24th November - Years 4-6
