Girls Netball & Girls Football Tournaments

This week we have been competing in year 3+4 girls netball and year 5+6 girls football.

In the netball, we had a small team of dedicated, hard working girls. They played some excellent high five netball and we came away with a very credible 2nd place. The girls did themselves, and the school proud. Well done!

For the girls football team this was our first home fixture of the season and the girls didn't disappoint! We were able to put out 2 mixed teams from across years 5 and 6 and they worked together as if they had played together for years. The matches were drawn, so it came down to a penalty shoot out. After some top level goals and saves on both sides, we came out the winners! Well done to all our girls this week. They really have done the school and themselves proud.

Year 5 Computing

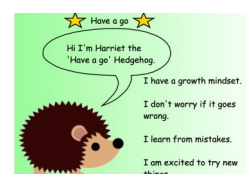

This week our Year 5s have been exploring the HDMI Pi. Many of the children used Sonic Pi, a program written by Sam Aaron. Sonic Pi is a musical instrument, designed for creating sounds with code. The children combined patterns of play and sleep to create sounds, chords and a simple piece of music.

Learning Behaviours

At Caroline Haslett Primary School we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for when we return after half term will be Harriet the Have a Go Hedgehog. Encourage your child to practise the skills listed below and be like Harriet.

I have a growth mindset.
I don't worry if it goes wrong.
I learn from mistakes.
I am excited to try new things.

School email address is — schooloffice@carolinehaslett.milton-keynes.sch.uk

Year 2 Yoga

On Thursday afternoon Rutherford and Volta classes were fortunate enough to have a specialist yoga session with Ms Squires and Julie from Tatty Bumkin.

The session used movement as its focus, and was inspired through storytelling and music. Mindfulness and breath awareness were introduced through the session.

The children all engaged and enjoyed the sessions.

Pupil Achievement

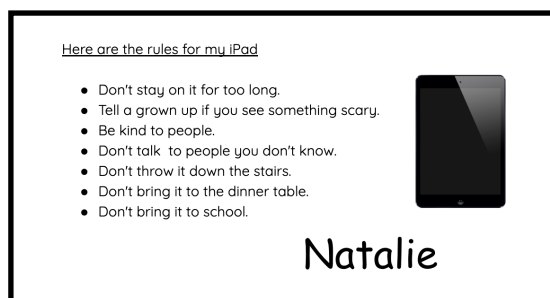

Harun plays football every Sunday at the MK Dons. He was given a trophy at the Inclusion Awards there recently.

Well done Harun!

Online Safety Byte

Children in Year 2 have written some rules when using different Information Technology devices. Take a look at the examples from Natalie and Macie from Volta class. For more ideas of Device rules you could have at home visit <https://bit.ly/3CVjPBf>.

Christmas Choir Market
Friday 2nd December 3.30pm - 5.30pm.

This year we are hosting a Christmas Choir Market.

Mrs Ottaway's wonderful Production Club will be singing Christmas Carols along with each year group performing a song as well.

The Friends will be running several food stalls to accompany this event, along with a couple of firm favourite stalls.

There will be a great Christmas atmosphere to get December started.

This will also be Christmas Jumper Day in School.

We hope you will support us by sending in donations that can be used at the market. More details to follow after half term.

Tables

Is there anyone that has access to fold up tables?

Although the school have lots of tables, they are always in full use and therefore we can never access them early enough when setting up for the big events we run at school.

So we are looking for either:

Someone who has tables we can borrow?
Someone who can get discount on a purchase and help us get these?
Someone who can purchase and donate some to us?

Can you help?
