Congratulations to Hauksbee Class who were the winners of TT Rockstars this week with 100%

BEST CLASS ATTENDANCE WEEK ENDING 23.09.22 :

Upton class
with **99.3%**

Governor Awards

Congratulations to Rayan and Musa who received their Governor Award this week during the Celebration Assembly.

Rayan received his award for his achievement in reading and Musa received his award for his writing.

STEM Club

This week in STEM club the children used bottles, straws, air and water to create thermometers. We discussed how our thermometer differed from a commercial one and the units with which temperature is measured. We explored how states of matter change and absolute zero. We looked at some interesting temperature facts including how lightning can reach temperatures of 30,000°C.

Online SafetyByte

This week's Caroline Haslett Online Safety Hero is Clockwise.

Clockwise reminds us to use technology responsibly. He has a clock face to remind us about time limits and schedules for our devices.

Clockwise wears sunglasses to hide his identity and he carried a toothbrush as you should treat your password like your toothbrush - Don't share it!

Clockwise was designed by children from the Berner's Lee house.

Year 3 Computing

Pupils in Year 3 have been using the Makey Makeys.

We used the following items to create inputs: people, playdough, apples, bananas, tomatoes, bread, cheese strings, paper clips, split pins and a heavy pencil.

School email address is — schooloffice@carolinehaslett.milton-keynes.sch.uk

Learning Behaviour

At CHPS, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for next week will be Kevin the Keep Improving Kangaroo. Encourage your child to practise the skills listed below and be like Kevin.

I keep reviewing my work.
I try to be better than the last time.
I don't compare myself to others, only myself.

AGM

Did you see the detail last week about the AGM?

Our final figure for profit last year (2021 - 2022) was an amazing £8923.87.

Some of this will be used this year to install a new sound system in the hall and purchase an outdoor PA/ sound system to enhance events and school activities.

We also usually give each year group £300 to spend on resources to enrich activities they wish to do with their classes.

They did not claim this last year, so we have rolled it over and this year each year group will receive £600. We will update you on what they have chosen to use this on later in the year.

Movies and Munchies

As Movies and Munchies is a firm favourite it is back again, but looking a little different this time, with the younger years invited to the first date and the older years able to come to the second date.

We are trialling this to see if it helps the children sit for the film more easily.

The films are to be confirmed, but save the dates:

Thursday 17th November - Years 1-3

Thursday 24th November - Years 4-6

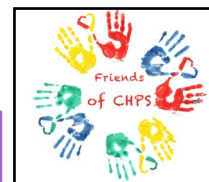

More information will follow shortly on what films will be shown and when tickets will be on sale.

FRIENDS

Amazon Smile

Have you connected your Amazon Account to Amazon Smile where you will then automatically earn money for the school on orders you place? If you are unsure on how to do this, you can find details in the Friends Section of the School Website.

Halloween Costumes and Christmas Jumpers

As we approach this time of year, you may notice that your child has grown out of last year's Halloween or Christmas clothes.

We can take donations of these which will then go on the same Uniform site in order to save families money and reduce waste in landfill.

Uniform

You may have heard in the news in August that it is now a legal requirement that schools provide and source Second Hand Uniform for all families.

We have been one step ahead and, as the Friends of CHPS, we are happy to be supporting them in providing this service for families.

Do not forget to take a look at our Uniform site at the following link:

<https://app.uniformd.co.uk/items/131>

You can also donate any pre loved uniform that is still in good condition to us, so we can continue to provide this service.

Please drop items at the school office, but ensure you let the staff know that its for the uniform sale and not for the charity bin that is in school!

FRIENDS OF CHPS IS HOSTING
Wednesday 12th October
