

Pupil Achievement

Ayah from Winstanley class has passed her stage 7 in swimming!

Well done Ayah!

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for next week will be Kevin the Keep Improving Kangaroo.

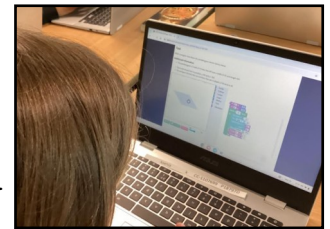

Encourage your child to practise the skills listed below and be like Kevin.

I keep reviewing my work.
I try to be better than the last time.
I don't compare myself to others, only myself.

Computing - Year 6

On Wednesday, we had a visitor in Parsons class from Raspberry Pi. Harriet Page observed the class carrying out a Global Coding Challenge. The children said that 'The Coding Challenge' was "good fun" and they were all successful in completing at least one question. A special congratulations to Ksenia who completed all 10 challenges. Thank you to Fabius, Ksenia, Ayla, Emily and Yakub who discussed the challenge with Miss Page and suggested some very useful improvements to further help enhance skills, build confidence and inspire students to develop programmed solutions to computational thinking problems. Some of your suggestions will be used in future challenges.

Computing

For updates on our Computing achievements, examples of work, apps and activities we are completing at school, visit our Computing blog which can be found at <https://chpsmrshart.edublogs.org> or in the Computing section under the Curriculum tab on our website.

Gymnastics

On Thursday, 7 children took part in a fun gymnastics festival at Two Mile Ash. They participated in a floor, body management and a vault routine. They all had fun and Kesha got a medal for her hardwork.

Well done everyone!

Pupil Achievement

Darren from Edison class has received 'Warrior of the Month' in February from Milton Keynes R.U.F.C

Well done Darren!

Red Nose Day

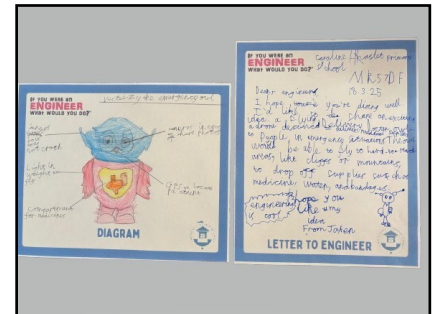

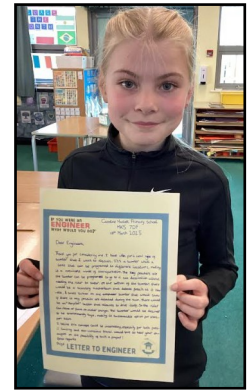

We raised an amazing £1017.50!

Thank you for all of your contributions.

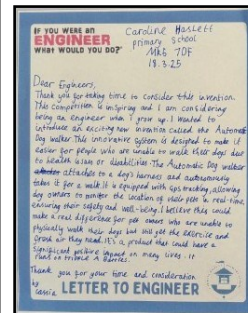

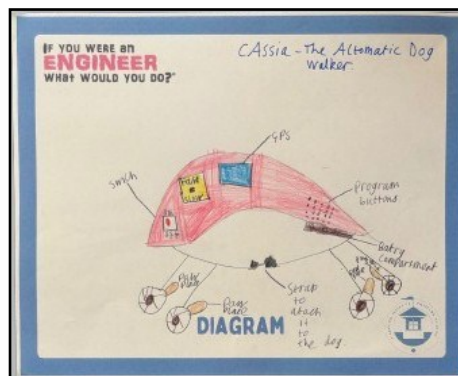

STEM Club

In this year's "If you were an Engineer, What would you do?" competition, we have had some unique entries from STEM club.

- **Cassia** - The Automatic Dog Walker - Takes dogs on a walk without you having to leave the house!
- **Jaxen** - Vecteezy the Emergency Owl - A delivery drone which drops medicine and bandages to hard-to-reach places.
- **Evie** - The Happy Scanner - Scans your face and sends advice based on your emotion.
- **Paloma** - Self-Drink System - A voice activated, smart machine that will create any drink for you from smoothies to coffee!
- **Hamza** - The BuddyBot Watch - A digital watch which measures your heartrate and links to your Google calendar sending positive, affirmative messages throughout the day to boost your wellbeing.
- **Eva** - EnviroBot a solar powered robot that cleans parks and lakes
- **Leo** - The Chocolate-Feast Squirrel - A squirrel which can bring chocolate using GPS
- **Paige** - The GPS 3000 - A scooter which can detect fossils.
- **Zayd** - Language Translator 3000 - uses a scanner to translates languages or read out text
- **Natalie** - RoboDog Solar powered robot dog which delivers food to your house
- **Arthur** - Self-Driving Table - A table that will bring food to your location in a restaurant and take it back to be cleaned when you have finished.

The children's designs will be judged by a real engineer and graded as Pass, Merit or Distinction. We wish you all lots of luck.

Titanic Day

Year 5 had an unforgettable experience taking part in *Titanic Day*! The children looked fantastic in their 1st, 2nd, and 3rd class costumes, really getting into the spirit of the day. We began with an exciting scavenger hunt, searching for Titanic facts and testing our knowledge. Later, the students tackled the "Survive an Iceberg" challenge, putting themselves in the shoes of passengers facing the icy Atlantic. To truly understand the differences in class and luxury aboard the Titanic, we explored both the 1st and 3rd class areas, comparing the stark contrasts in experience. A huge well done to everyone for their enthusiasm and effort—it was a day to remember!

Friends of CHPS

Easter Trail

This year our lovely volunteers (with the help of Shenley Lodge Neighbours), have put together an Easter Egg Trail, which is £1 to take part and can be done any time over the 2 weeks of Easter Holidays. For those with little legs, you can always take a break and come back to the trail another day.

Please note: You will receive your pack by email. Please print at home or use your electronic device.

In order to receive a prize, please send us your answer by Friday 25th April.

Happy Hunting!

Easter Bingo

Tonight we host our ever popular Easter Bingo - the tables are setup, the snacks are waiting. There will be a special visitor and lots of eggs to win! We look forward to seeing you soon!

Winner 1 - 1 Line completed = win a small Easter Egg or Bunny and £5

Winner 2 - Full House = win a medium/large Easter Egg and cash prize as follows:

- Game 1 - £10
- Game 2 - £15
- Game 3 - £20
- Game 4 - £25
- Game 5 - £30

Dates for the Diary

28th March
Easter Bingo Night

Easter Holidays
