New School Mural

No doubt you've noticed a big change at the front of our school which was kindly started by Mr Cunningham before the holiday. Over the Easter holiday, Miss Frankish spent some time painting the first designs of a new school mural.

Making use of the incredible weather during the first week of the holiday, she managed to paint a second coat of white paint, complete the first section of the mural by the Foundation Stage gate and began painting smaller sections of the wall. Despite the glorious weather, she faced many challenges from extremely green fingers to vengeful pigeons leaving gifts on the paintwork and unusual sunburn! Nonetheless, she very much appreciated the lovely visits from parents and students alike and even a bag of Haribos from Ayla in Year 6! Thank you to the school community for your support, and if you spot Miss Frankish painting, make sure you say hello.

The mural will be painted gradually throughout the half term and the children will be getting involved in the coming weeks, so watch this space!

Computing

In the first lesson of our Digital Photography unit, Year 2 used the iPads to take photographs. The children recognised what devices can be used to take photographs, talked about how to take a photograph and explained what they did to capture a digital photo. As the unit progresses, we will gain experience editing and improving photos. The children will use this knowledge to recognise that images they see may not be real.

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week's character will be Colin the 'Concentration' Caterpillar. Encourage your child to practise the skills listed below and be like Colin.

I manage distractions.
I do one thing at a time.
I concentrate really well and I notice everything.

Pupil Achievement

Jaxon from Winstanley class attended the National Tumbling Championships (FIG National Tumbling Championships) at the Telford International centre on the 11th April.

Jaxon absolutely smashed it, and came away with the highest score in his category (with no penalties) and became the champion achieving a Gold medal! This means he has now qualified for British, so he will compete in the British Championships this year. There is a lot of hard work ahead for him, but the hours of training and commitment he is putting in is admirable.

Congratulations Jaxon!

Girls Football Tournament

Yesterday, 8 girls took part in a football tournament at Fairfield Hub. They played 4 games and won 1, drew 2 and lost 1. They had lots of fun and enjoyed it.

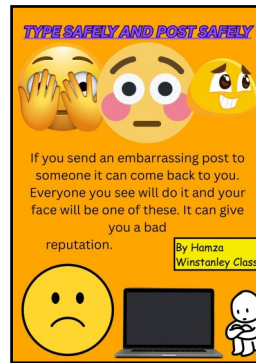

Well done girls.

Online Safety Byte

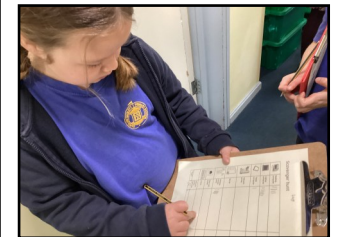

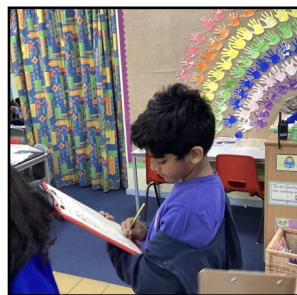

Online Behaviour has serious negative effects on children including loss of self-esteem, depression, lowered academic performance and even drug/ alcohol abuse. Year 5 children have been understanding the complications of Digital Permanence and have created some posters this week.

For more information on how to protect your child's Online reputation visit <https://www.fielding.edu/how-to-protect-your-childs-digital-reputation/>

Computing

This week Year 3 had a Network Scavenger Hunt. They travelled on a safari around school trying to find the key components of our school computer network. We found laptops, a server, desktop computers, tablets, network printers, wireless access points, data sockets and network switches. Our school network has had a lot of changes recently and we enjoyed discussing the kinds of tasks that the school computer network lets children do.

Geography

In Geography, Year 3 greatly enjoyed creating 3D models of a river system from the source to mouth. Fantastic teamwork was displayed as children used various materials to bring their ideas to life. They then correctly labelled the different parts of their creations including: tributaries, flood plains and meanders, which showed their thorough understanding of a natural water system from our learning - very impressive Year 3!

Mini Marathon Day

Today, all the children who had PE and Outdoor Learning took part in Mini Marathon Day.

Their challenge was to jog, walk or skip at least 2 miles during their lesson.

As a school we have had over 180 children completing over 2 miles today.

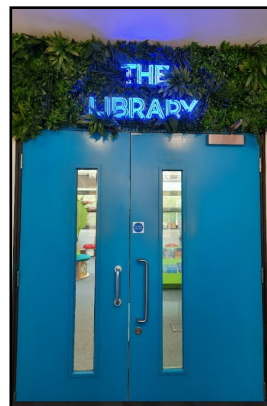

Friends of CHPS

Library Fund Update

Lovely Friends and Families, we have come to the end of a very busy few months full of events that have helped hugely towards the Library Upgrade fund. Our very popular Easter Bingo event raised £455, which when added to the Spring Gift Bags at £414, the Foundation Bed Time Stories at £65 and the kids favourite 'Movies and Munchies' at £821, brings us to well over half way to the full Library Target. We cant wait to hear what students think of the new look Library and Upgrade.

Easy Fundraising

Want to shop and earn money for the school? Shop through the app or website, and Friends of CHPS Charity will receive some money. Please consider joining and registering the Friends of CHPS as your chosen charity, see the poster for 'how'.

Dates for the Diary

Disco (includes Foundation) June TBC

Movies and Munchies May (TBC) - we will need helpers so please get in touch if you can support prep and the movie

Sports Day (refreshments) 27th June

Summer Fete 20th June - we won't be able to run this without volunteers, so please think about how you can help.

Easter Themed Trail

We hope you found some lovely weather days to complete the trail.

Submit the phrase along with child's name and class to:

chpsfriendschat@gmail.com (so that we can organise a small prize) by the end of today (Fri 25th April)

Valuation for Education

Are you thinking of getting a valuation on your home for sale or re-mortgage? If so please consider Urban & Rural for a chance for school to win money from a prize draw. Every time they value a property, the home owner will be invited to vote for a school of their choice, so each vote for CHPS will be included in the next monthly draw.
