

## Pupil Achievement

Aarav from Upton class has successfully cleared Stage 1 in Badminton via Shuttle stars, Badminton England's junior Programme. He achieved this milestone last month and is the youngest member in his group to do so.

Well done Aarav!

## Pupil Achievement

Cooper from Joules class spent the weekend in Sheffield competing in ice hockey tournaments.

Last weekend, Cooper also received the Mk Storm Players player u10 award.

## Joules Class

On Tuesday, Joules took part in a music festival at the Ridgeway Centre, where they showcased the progress they've made in learning the clarinet with Mrs Liddiard. The children enjoyed the opportunity to perform on stage, and to experience the performances from other schools.

## Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

Next week's character will be Catrina the Curious Cat. Encourage your child to practise the skills listed below and be like Catrina.

I ask questions and research topics.

I notice things and ask "what if...?"

I look for patterns and connections.

I think of possible reasons.

★ Curious ★

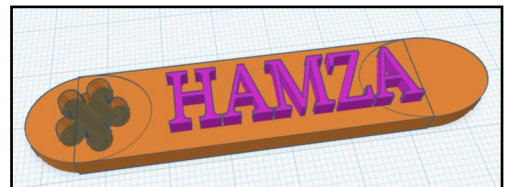

Hi I'm Catrina the 'curious' cat.

- I ask questions and research topics.
- I notice things and ask "what if....?"
- I look for patterns and connections.
- I think of possible reasons.

## Computing

This term, Year 5 are exploring the world of 3D modelling using a Computer-Aided Design (CAD) program called Tinkercad. The children have created their very own keyring designs, combining text and shapes to develop unique and personalised models.

Designing in 3D was a new challenge for many and although the process was quite fiddly at times, the children showed great perseverance. The keyrings are currently being brought to life with a 3D printer and we're all thrilled with the results!

## Friends of CHPS

### Summer Fete

Today is the day! Make sure to pack your blankets, hats, and sun cream, because it's going to be HOT!

### Raffle Ticket Reminder

We will still be selling tickets right up until the Prize Draw at around 5pm.

We've got an amazing crew helping set up, run, and pack away stalls, but we're still a little short on hands. Please consider staying behind to put away a few tables and boxes, so that the staff and committee who have worked exceptionally hard on this event, can get home as early as possible too!

Our crowd-favourite 'Splat Sponge' game is in need of volunteers! Fancy getting splattered with water in the name of fundraising? Bring a spare t-shirt and let us know on the day if you're up for taking one for the team!

### Fundraising Update

Recent profits update from Fathers day £263, Disco £763 and Movies and munchies £583.

We are just £800 shy of the target we set to **fully fund** the changes to the school library and we are confident we will surpass this by the end of the school year!

Children say it best, so here is a little of what they had to say about their new look library and a big thank you!

- "I love the library sign, it lights up in my favourite colour" - Ellis Reception
- "It makes me feel happy when I walk in the library" - Aleena Yr1
- "I love the chair because I feel like a king when I sit in it!" - Riley Yr 2
- "I love the beautiful pictures on the walls" - Delilah Yr 3
- "I wish I could live in our library, it's so magical" - Eliana Yr 4
- "The murals are inspiring. They make me want to read more" - Maryam Yr 4
- "It shows me that there are lots of authors to explore. I can't wait to read different books now" - Riley Yr 4
- "I love the plants, their colours are very calming" - Vanessa Yr 5
- "It's a lovely place to come and relax. I can't wait to come here every week!" - Antonia Yr 6

### Sports Day

Taking place on Friday 27th June, we will be selling refreshments at Sports Day and children will be supporting this on the day, so bring cash with you and do pop along to the refreshments stall by the Mekon building and say hi to the pupils selling crisps and drinks etc.
