

## Space Day

Last week, Year 5 took a trip through the stars as they celebrated Space Day! The children looked fantastic in their themed outfits, and took part in a range of exciting space-themed activities. The highlight of the day was stepping inside 'The Wonder Dome' - our very own planetarium right here in the school hall! Inside, the children were amazed as the solar system came to life all around them, sparking curiosity and wonder. It was a truly out-of-this-world experience, filled with learning, laughter, and discovery. Well done, Year 5 - you really brought science to life in the most stellar way!

## Trip to Saint Mary's Church

Year 6 visited St Mary's church on

Thursday to enrich their RE learning about what Christians believe about death and what happens after death. It was a truly thought provoking experience for the children, which they all said had a powerful impact on them in a positive way. We were very impressed with the children's level of maturity..

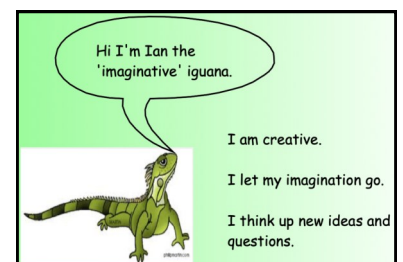

## Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for next week will be Ian the Imaginative Iguana. Encourage your child to practise the skills listed below and be like Ian.

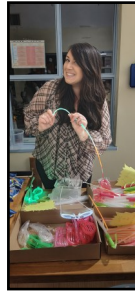

I am creative.  
I let my imagination go.  
I think up new ideas and questions.

## Disco

Last night we had a successful disco. All the children seemed to have fun and went home happy.

Thank you for all the volunteers who came to help, we could not run these events without you.
