

Be careful what you wear when you're out to scare

Some fancy dress costumes are highly flammable so they can ignite almost instantly and burn fast.

-  Try to buy from a reputable store or website. Cheap costumes may not meet UK safety standards.
-  Look for a costume with a UKCA or CE mark
-  Look for a label that says: "This garment has undergone additional safety testing for flammability"
-  Remind children to stay well away from naked flames and other heat sources

Halloween

The Child Accident Prevention Trust have recently published an article addressing the dangers of unsafe Halloween costumes and poor visibility at night.

More details can be found here

[Halloween and Children's Safety \(CAPT\)](#)

Pupil Achievement

Eva from Rutherford class has successfully passed Stage 1 in Swimming and has also been certified for a 5-metre swim.

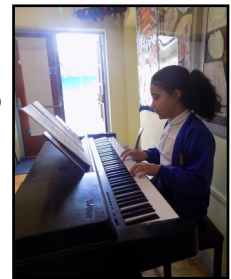

Well done Eva!

Pupil Achievement

Maya from Mayer class played 'Read All About It' on the piano for the children and parents when they arrived for the celebration assembly this week. Maya performed very confidently.

Well done Maya!

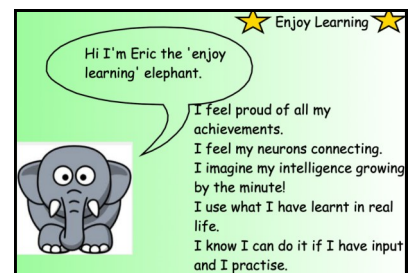

Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

The character for when we return after half term will be Eric the Enjoy Learning Elephant. Encourage your child to practise the skills listed below and be like Eric.

I feel proud of all my achievements.
I feel my neurons connecting.
I imagine my intelligence growing by the minute!
I use what I have learnt in real life.
I know I can do it if I have input and I practise

Pupil Achievement

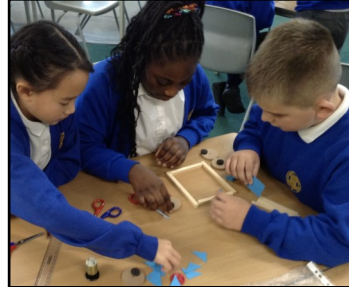

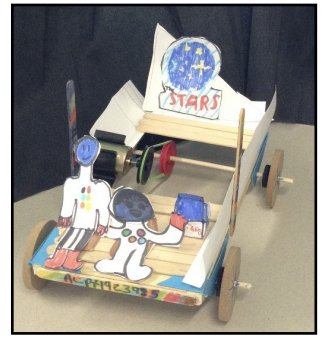

Eleonora, from Joules class took part in a trampoline competition on Sunday, 19th October, and had an incredible day! She won gold in the individual event, and her team also earned silver and bronze medals at the regional level, resulting in not just 1 but 3 medals.

Well done Eleonora!

Year 5

In Design and Technology, Year 5 have been hard at work researching, designing and building their very own lunar rovers! Using their detailed plans and precise measurements, the children constructed light-weight, battery-powered vehicles capable of carrying moon rock samples and astronauts. Throughout the project, they showed fantastic teamwork, creativity, and problem-solving skills. Well done, Year 5 - your rovers were out of this world, and you've proved yourselves to be our space engineers of the future!

Committee Meeting

Please join us for our next Committee Meeting at the Old Beams on **Wednesday 5 November at 19:30**. We will be starting to organise our Christmas Event!

Have a great half term!
