

## Pupil Achievement

Ainaakshi from Winstanley class has passed stage 4 in swimming.

Well done Ainaakshi!

## Year 5

Manomay from Mayer class, participated in the remembrance parade on Sunday 9th November 2025. He got the opportunity to hold the Whitehouse cubs flag.

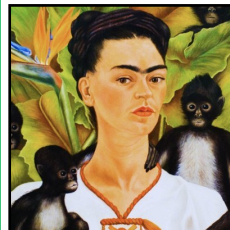

## Year 5

One of our talented students, Ainaakshi, has painted a stunning picture of Mount Fuji. She created this beautiful artwork at home to support the Young Minds charity, showing both creativity and kindness. We are so proud of her artistic talent!

## Year 5

In Art, we have been inspired by the vibrant work of Frida Kahlo, exploring her use of bold, bright colours. Using her style as inspiration, the children created their own clay monkey sculptures, carefully shaping and adding texture with a variety of tools. The finished pieces look fantastic and full of character!

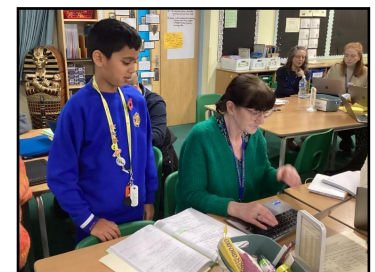

## Digital Leaders

Huge congratulations and a massive thank you to our incredible Year 6 Digital Leaders who led a fantastic staff training session on Artificial Intelligence (AI) this Wednesday! They demonstrated how AI tools can save time and create engaging resources for everyone at Caroline Haslett School. The team showed off some useful skills, earning high praise from the staff:

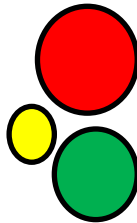

- Zayd demonstrated how quick and easy it is to use the "AI Design" feature in Canva to create things like a birthday card in seconds.
- Skylar and Jessica showed everyone how to transform a regular photo into a cartoon using a simple prompt in Google Gemini, which is great for making fun, engaging resources. They also mentioned describing and asking Gemini to create images.
- Diya made sure everyone knew how to easily export AI-generated text or images straight into Google Docs and Gmail.
- Elsie introduced the staff to the powerful tool, NotebookLM, explaining how it can upload a long document (like a policy or research paper) and instantly answer questions about its key points or create a summary.
- Hazel showed a game-changing skill: using Gemini to generate multiple-choice questions and quickly putting them into a Google Form for Google Classroom, saving teachers lots of time on assessment.
- Cassia showed the future of AI by demonstrating how to create a "Google Gem," which is a custom AI tool trained to do specific tasks.

## Year 2

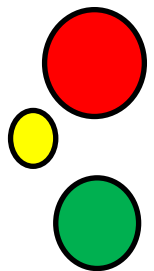

On Tuesday the Year Two children visited MK Museum to learn more about life in the Victorian times. We all had a fabulous day and learnt so much. The children all asked lots of inquisitive questions and their behaviour was exemplary throughout the day. They all particularly enjoyed being taken back and having a lesson in the Victorian school, Victorian style! I think they all agreed that life would have been much harder in Victorian times!

BBC

# Children in Need

We have had a fantastic day celebrating and raising money for Children in Need and everyone has loved our 'Do Something Different' morning. The children enjoyed a number of different activities, from 'Strictly come Dancing with Pudsey' to Poetry with Pudsey!. This, combined with cake, has left many happy faces across the school and you have raised an amazing **£912.34!**

## Halloween Trail

Next week, your children will receive the small prizes awarded for completing the Halloween Trail over the half term. It will come with a tag attached explaining what it is!

## Movies & Munchies

Yesterday, we hosted the second Movies & Munchies for Years 3-6. We hope the children enjoyed watching Minecraft with their friends. We noted some feedback from the younger children on the choice of film last week and are having a look at the format of Movies & Munchies for next term.

## Christmas Bingo - Friday 5 December, 15:30-17:30 & 18:30-20:30

This year, we would like to invite you to a Christmas Bingo. In order to give as many people as possible the chance to attend, there will be two sessions! Further details are being finalised, and we may need some help to host on the evening, so keep your eye out for further announcements!

## Easy Fundraising

With Christmas around the corner, please consider shopping through the easyfundraising website or app to raise funds for CHPS.

**Friends of CHPS**  
**EASY FUND RAISING**

The more you shop online, the more donations you will earn for the Friends of CHPS and its absolutely safe!

- 1 Sign up for a free account with 'Friends of Caroline Haslett Primary School' as your chosen charity. You can also download the app and follow the instructions. Use the link for a bonus donation in your browser - <https://www.easyfundraising.org.uk/support-a-good-cause/step-1/?char=32440>
- 2 Search for the online retailer you'd like to shop with and Click the 'Shop now' button on the retailer's page (ensure you have accepted cookies for both Easyfundraising and the retailer site)
- 3 Easyfundraising will attribute a donation from your account to the Friends supporters' page once your transaction has been confirmed. (This may be a percentage of your total spend but is paid by Easyfundraising, not you as the shopper).
