## Message from Mr Quinton

### CHPS Celebrates Prestigious National Recognition

We are delighted to share some fantastic news with our school community. CHPS has received notification that we have been included in the The Times/Sunday Times Top 1,000 Primary Schools in England. This is the first time our school has made this prestigious list, making the achievement even more special.

Even more impressively, CHPS has been ranked 197th out of approximately 17,000 primary schools in England, placing us within the **top 1% of schools nationally**.

This outstanding accolade is a true reflection of the hard work, dedication, and commitment shown every day by our wonderful children, as well as the passion and professionalism of our staff. We are incredibly proud of everyone who has contributed to this success and would like to thank our families for your continued support.

A great start to the New Year as we strive to live up to our motto: Nil satis nisi optimum.

Paul Quinton

## Learning Behaviours

At Caroline Haslett Primary School, we have 8 characters that help us remember the skills of an effective learner in all of our lessons. The character for next week will be Eric the Enjoy Learning Elephant. Encourage your child to practise the skills listed below and be like Eric.

I feel proud of all my achievements.  
 I feel my neurons connecting.  
 I imagine my intelligence growing by the minute!  
 I use what I have learnt in real life.  
 I know I can do it if I have input and I practise.

★ Enjoy Learning ★

Hi I'm Eric the 'enjoy learning' elephant.

I feel proud of all my achievements.  
 I feel my neurons connecting.  
 I imagine my intelligence growing by the minute!  
 I use what I have learnt in real life.  
 I know I can do it if I have input and I practise.

## Computing

Year 5 have been introduced to vector drawings and we have begun to understand that they are made up of simple shapes and lines. The children used the main drawing tools within the Google Drawings application to create their own vector drawing of a building. The children discussed how vector drawings differ from paper-based drawings.
