Monday 12th December at 6pm
Tuesday 13th December at 6pm

Digital Leaders

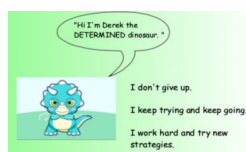

For the first time, this year our Digital Leaders will be following the Childnet Digital Leaders Programme. This is a youth leadership training programme empowering young people to educate their peers about online safety. This week we began our training. Congratulations to Abdullah and Benjamin G who have already completed the modules on the software.

Learning Behaviours

At Caroline Haslett Primary School we have 8 characters that help us remember the skills of an effective learner in all of our lessons.

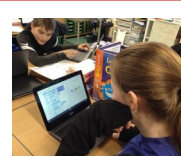

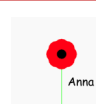

The character for next week will be Derek the Determined dinosaur. Encourage your child to practise the skills listed below and be like Derek.

I don't give up.
I keep trying and keep going.
I work hard and try new strategies.

Computing

Year 6 have had an introduction to the Python programming language. They have completed poppy and caterpillar projects using a turtle with functions, loops and variables, as well as using text-based python to print and create input functions.

School email address is — schooloffice@carolinehaslett.milton-keynes.sch.uk

Year 2

In our Science lessons we have been learning all about plants, seeds and the conditions that plants need to be healthy. To learn about germination, the children planted a bean seed and took their little plant home. We are very proud to share this wonderful photo of Abram in Volta class who has been taking very good care of his bean plant. Well done Abram.

Online Safety Byte

Combat Online Bullying

According to Ofcom's 2022 Media Use and Attitudes report, children are now more likely to be bullied via technology than they are to experience it in person. An alarming 84% of 8 to 17-year-olds who reported being targeted said it had taken place via messaging, social media, online gaming and so on, as opposed to 61% who had been intimidated face-to-face. Here's CHPS's advice if your child is a victim of online bullying

- Make yourself available.
- Be prepared to listen
- Empower your child (delete the app, block the person etc)
- Report to the Website or App.
- Seek Expert Advice <https://www.nationalbullyinghelpline.co.uk>

Year 5

In geography, Year 5 have been learning about meridians of longitude and parallels of latitude, which make up the grid system that helps us identify locations on the Earth's surface. Children were given longitude and latitude references, and they had to use these references to find countries, using globes and maps. Children found they were successful in locating countries, regardless of the size of the globe!

Children in Need Update

We raised an amazing £589.37 for Children in Need last Friday.

Thank you for all your support!

BOOKING NOW TO AVOID DISAPPOINTMENT!
(email faradayclubmanager@carolinehaslett.milton-keynes.sch.uk to book)

Student Council

Last week, to celebrate UK Parliament week, our local MP (Iain Stewart) visited the school to meet with the Student Council and host an assembly. Our Student Councillors were excellent representatives, who posed thoughtful and challenging questions to Iain Stewart in the hope that he would put forward our concerns for the local area to Parliament. We are very proud of how they conducted themselves.

Lucky Jars

It's that time of year again, and the School Council will be running their Lucky Jar stall at the Christmas carol event. If you could help by donating a jar of wrapped sweets, we would be most grateful. These can be brought into school by

your children any day next week. Thank you for

STEM Club

This week we enjoyed creating a breathing machine. In the STEM activity we built and used a simple lung model to explore how we breathe. The balloon inside the bottle was like one of our lungs. We used a bottle to represent our ribcage. When we pulled the balloon back, the space inside the bottle increased and your balloon filled up with air. When we pushed the knot in, the space inside the bottle decreased, and the balloon deflated.

CHPS Christmas Choir Market 2022
Friday 2nd December 3.30pm – 5.30pm

**Christmas
Choir Market**

Friday 2nd December
3:30pm - 5.30pm

Only one week to go!
We are looking forward
to this fun, festive event and hope you will all be
joining us.

There will be no entry fee and stalls will be mainly
cash, with card machines at the refreshments, so
entry to this will be quick and the chil-
dren will be singing shortly after it
starts.

The Production Club Choir and all year
groups will be singing songs throughout
the afternoon to keep us entertained.

Raffle Prizes

The raffle prize list is growing.
We currently have the following:

 - 360 Play - Day pass for 1 child and an adult
- We Make Football Milton Keynes - Voucher for 2 sessions
 - Lego 3 in 1 Kit
- Arlette Fitness - 45 minutes Personal Training Voucher
 - Body Shop Bundle Box
 - 3 x Vitamins & Vitality Bundles
 - 2 x Cheeky Panda Bundles
 - Sweet Bundle Gift Boxed
- Masha Multi-Function Mashing Tool

Christmas Jumper Day
Friday 2nd December

In exchange for wearing a Christmas Jumper on Friday 2nd December we ask that the children bring the following items on the day:

Foundation and Year 1 - Cakes for the cake stall. Whole cakes to sell if possible.

Years 2, 3 and 4 - Individually wrapped sweet treats/snacks such as Haribo, Biscuits, Twix, Kit Kat.

Year 5 and 6 - Bottles, such as bubble bath/shower gel, sauces, drinks or wine.

Christmas Secret Gifts

The elves are busy buying and preparing the gifts for the children. Thank you to all those that are helping with this event.

You can look forward to these coming home in the last week of term.

Hamper Donations

A Big Thank You for all the Donations so far, every single one is appreciated.

There is still time to drop things to the office, such as Friendshop items (unwanted gifts) and Raffle prizes big or small. Any items that can be made into hampers would be gratefully received as would any other prizes.

Fun interactive Bingo

There will be a free festive bingo game to complete with a small prize given to those that return their entry.
